EARLY INTERVENTION CENTRE:

Identifying the children ranging from 0 – 6 years with delayed milestones through screening test.

The EARLY INTERVENTION CENTRE focus on,

- Communication
- ADL (Activities of Daily Living Skills)
- AVAZ Training
- Health & Safety.

Achievement 2023-24 :

3 students admitted in I std in government schools

5 students achieved independency in walking.

SPECIAL EDUCATION :

- One of the main focus of School is the provision of special education services to children with intellectual disabilities.
- These children often require a different approach to learning than their typically developing peers, and our highly trained staff work to create individualized educational programs that meet the unique needs of each student.
- We offer a variety of services, including occupational therapy exercises, speech therapy exercises, and physical therapy exercises, all designed to help children with intellectual disabilities reach their full potential.
- 78 students on roll. Students are divided into Primary, Secondary ,Pre-Vocational and Vocational as per the norms prescribed by National Institute for the Empowerment of Persons with Intellectually disabilities(NIEPID), Secunderabad.
- For Educable students we follow Tamil Nadu State Board Syllabus. We have grouped our students based on the NIEPID checklist and also based on their strength and learning abilities.
- This type of grouping brings about homogeneity in teaching and makes it easier to plan the curriculum and set timelines for improvement and review, as the students have similar learning abilities.

X – STD RESULT DURING ACADEMIC YEAR 2023 – 2024 :

- In the 10th standard public examination held in the academic year 2023-2024, a total of ten students, seven male and three female students appeared for the examination. All ten students scored good marks.
- Our students with Intellectual Disability, Specific learning disability, Autism, Low vision, hearing impaired were given training to write x std and has come out with glorious result with flying colors. The Management congratulate all the students and Staff of Vidya Vikasini Opportunity School.
- The Director gave all support and guidance for this achievement. The classes were taken individually for them and with the team work and co-operation from the parents we were able to achieve 100% result. The students were honored in a function held on 05.07.2024 and the prizes were distributed by the Society member Mrs. Sripriya.

Physiotherapy:

- The Children who need are administered with therapy, to achieve normal muscle tone, Postural reaction and thus improve mobilization.
- We are providing treatment for ADHD, Autism, Cerebral Palsy, Intellectual Disability Children. The treatment is determined according to their problem and what they need according to it.
- Many children come with lots of physical problems and we take them to the next level by giving them adequate treatment and we provide advance training to students above 9 years of age to promote their cardiovascular, health, blood circulation, muscle strength and co-ordination and ADL Activities.
- We give training, two classes per day to all students through out the week. So they can achieve excellence in their lifestyle.

ADULT HOME:

Socio-economic rehabilitation of persons with Intellectual disabilities is promoted through the services of vocational training and job placement. The State government sponsored project Adult Home for the Intellectually disabled above 14 years is stepping into the 17th year successfully. It is running in No. 1, 4th street, VSK Nagar, Vadamadurai, Coimbatore-17. Here the inmates are given training in Bakery and Computer skills. In Bakery Unit they prepare tasty Biscuits, Bun, Bread, Puffs, Cake etc. There are 40 male intellectually disabled adults are getting training.

Achievement 2023 – 2024 :

- I. Vignesh succeeded X std securing with 310 marks.
- II. 2 got employment in stationery shop.
- III. 3 students employed in our school itself.

SAMARTH PROJECT :

16 years (2006 – 2015 & 2018 to till date). Residential and respite care home sponsored by National trust, New Delhi. There are 30 students benefiting from the scheme. Through this the children are given training self – help skills, motor skills, social & academic and recreational skills.

The goal of the Samarth is to provide a comprehensive and supportive environment for intellectually challenged children, helping them to thrive and live fulfilling lives.

ACHIEVEMENTS 2023 – 2024 :

- 2 students helping their parents in cattle rearing
- 1 student got admission in Diploma course

VOCATIONAL REHABILITATION:

Children who cannot be academically integrated are not turned out but they are trained in few vocations so that they could be gainfully employed when they grow up and would not be a burden to their families.

Depending upon their physical motor abilities, Intellectual performance Repeating movements, skill work, Social adjustments but mainly in their interest by keen observation we select particular vocational activity which suits to the Intellectually disabled persons.

- Note book printing and binding
- Dairy Farming
- Bakery Unit
- Cover Making
- Artificial Jewellery
- Tailoring
- Bouquet Making

GRATITUDE

- we thank the supportive management whose continuous support to our ideology of education has enabled the school to come this far. Teachers and the entire staff members also deserve applause for their tireless efforts in implementing the route map of imparting quality education here.
- We also extend our heartfelt thanks to the parents of our students who have shown unflinching faith in us by giving us the profound opportunity to transform their children into truly useful citizens of the future world.
- With that, let us foresee a world of universal singularity where our children are going to be the propellant of this change and the world shall be a beautiful place to live in..!!!

THANK YOU
