Among them 12 are intellectually disabled girls and 13 visually impaired, and 8 of them are hearing impaired who resides in the hostel. They belong to different casts and religion. The other programmes such as inclusive education, physiotherapy and vocational training are also given to the students. Physiotherapy, Speech therapy is given to the students by trained therapists. Vocational training also is provided to the student by the experts. The General Body discussed and decided to approach the government for various schemes available for the disabled. Home based therapies are provided to the disabled children by our staff.

Welfare Projects for Vocational Training

Various types of vocational training are provided at this center according to their age, ability and functional level such as candle making, painting of Diya, preparation of greeting cards & making Flowers and Rakhi, screen printing, sewing, cycle repairing etc. All the students were trained in gardening, growing vegetables, cleaning, dusting, and computer education. They also make flowers with different materials like cloth, paper and plastic paper.

Celebrations.

We celebrated the children's day cum disabled day on 3rd December 2024 in a grand manner at Manovikas. The children had sports and cultural competitions on the previous day. On 3rd December, we had the Disabled day celebration at 3.00 pm to 5.30 pm. Mrs Suchita Lakda, the deputy director of Samaj Kalyan Vibhag, Zilla Panchayat was the Chief Guest for the programme. The students presented various types of cultural

activities. The Parents, siblings and many fathers and sisters participated in the programme. Children also secured many prizes on this occasion.

Ashirwad Mental Rehabilitation Centre for the mentally women:-

Ashirwad mental rehabilitation centre for mentally ill and multiple disabled women at Kolchur is functioning rather well. At Present there are 26 women residing at the centre. They are provided medical and psychiatric treatment by the psychiatrist who goes from the medical college, Dimrapal for the consultation & treatment of these patients. Also, various types of behavioral therapies such as physiotherapy, occupational therapy, Mud Therapy and yoga are taught to them. Counseling facilities are also provided for them by the experts.

The project, Gharonda Yojana for the mentally ill women was sanctioned during this year also from the Samaj Kalyan Department. The Patients are taught to lead a hygienic life, to work in the flower garden, vegetable garden etc. Outdoor activities like to look after the domestic animals, gardening etc. are done by them. Indoor activities such as Yoga, physical exercises and indoor sports and cultural activities are encouraged and they do it very well. Now they are able to manage their activities of daily living and also became aware & active to spend their time in different sorts of occupations such as watering, gardening, cultivating, cleaning, tailoring and drawing etc.

Other Activities

Awareness Programme

Awareness creation programmes are organized with the help of other N.G. Os and government for the children suffering from cerebral palsy, autism and multiple disabilities. From time-to-time awareness programmes are arranged for the parents, siblings, and for the public. Now more and more people come to know about the school, the need of early intervention and mainstreaming.

Community based rehabilitation programmes are conducted in different villages such as group meetings and health talks on early identification and early intervention, Nutrition, Antenatal care, Balanced diet etc. Meetings related to National Trust, various Disabilities and the government schemes available from the government are taught to them periodically in the groups and during the meeting.

Outreach Programme:-

We carried out field visits to the families of disability affected children for guidance, counseling, awareness, information of welfare schemes and other relevant programmes. We are in the process of formation of the Disabled people's organizations in the villages through CBR Programmes. Educational assistance is provided to the needy disabled children for their educational expenses to buy their study materials
