## "Reflections & Memories of our Final Year Students"

On August 23, 2023, Diploma in Education Special Education 1st Year students hosted a memorable farewell for their seniors, featuring fun activities and heartfelt speeches. Creative competitions like saree-draping and pani puri added excitement. Aanchal and Abdullah were crowned Miss Farewell, making the evening special. Songs and dances lit up the stage, leaving everyone cheering. The program ended with emotional goodbyes and a grand farewell cake cutting. Relive the joyous memories of this life-changing experience and celebrate camaraderie at Miss Farewell. Join us for a cheerful day of learning and be part of the laughter and shared memories.

# "A Joyful Teacher's Day" - celebration"

"A Joyful Teacher's Day"- celebration was filled with heartfelt appreciation for the teachers of the 2023-2025 batch of the Diploma in Education Special Education (IDD). The 1st-year students of the program organized a vibrant event featuring mesmerizing dances and poems, culminating in a cake cutting ceremony.

This special event shows how much these teachers are valued and admired by their students. From gratitude to joy, it was an unforgettable day filled with heartfelt expressions of affection and appreciation.

## Empowering Potential: Effective Strategies for Working with Groups with High Support Needs and Severe Disabilities

Trainees enrolled in the Diploma in Special Education consistently provide essential support to students with high support needs, focusing on practical activities to foster development across various domains.

1 trainee with 4 High Support Need-150 Hours

Total 33 Trainee with 4 High Support Needs  
4950 Hours

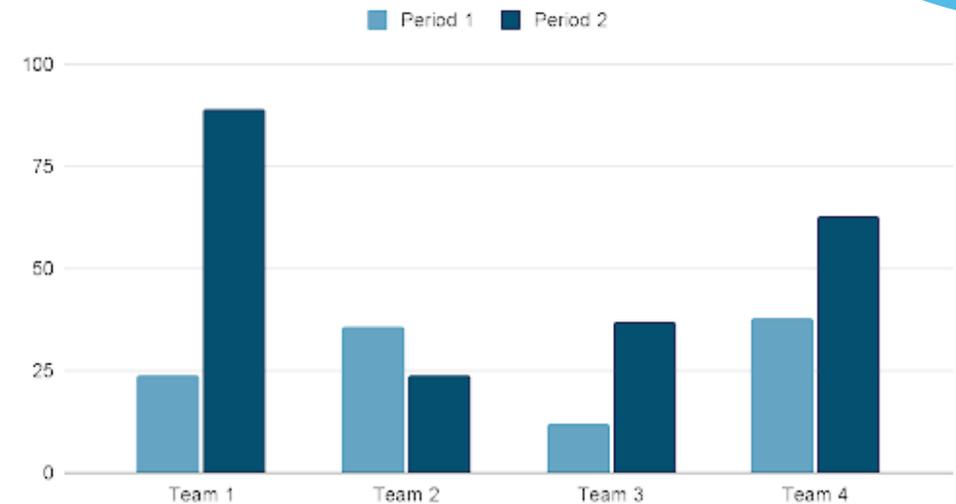

Utilizing specific assessment tools, trainees tailor their approach to address the unique abilities and challenges of students with severe/profound disabilities.

The trainees adeptly identify individual needs and strengths, customizing lessons to deliver targeted training. Their primary emphasis lies in cultivating the students' choices related to daily life activities. Employing diverse strategies the trainees actively engage students ensuring their active participation.

Points scored

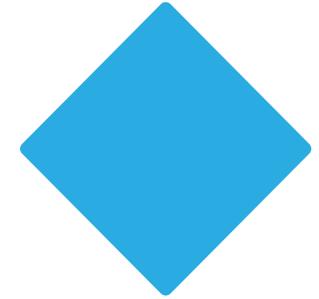

Innovative strategies form a key component of the trainees' approach to supporting students with high support needs. Recognizing the pivotal role they play, trainees transfer specific techniques to caregivers, with the aim of augmenting the support provided to each student.

# Our Celebration of World Disability Week

D.Ed students showcased a spirited Nukkad Natak across diverse locations such as Karkardooma Metro Station, Shyam Lal College, Happy English School, Platinum Valley International School and V3S Mall to commemorate World Disability Day. Organized by Manovikas Charitable Society, the program aimed to promote disability rights, well-being and raise awareness across various facets of society. The enthusiastic participation of students amplified the significance of fostering inclusivity and understanding for persons with disabilities in political, social economic, and cultural realms.

# Think College Fosters Inclusion in Higher Education

It supports educational journeys and helps to develop courses that cover language development, socialization, numeracy, motor skills development, and more-all to build upon their student's strengths and assist them in achieving the best possible outcomes for their future.

# “Networking in Delhi: Connecting with Top Colleges”

The dynamic and innovative "Think College Programme" has strategically partnered with Miranda House-University for Women's Enabling Unit, as well as Lady Shri Ram College and Kirori Mal College of Delhi University. Our efforts have successfully reached over 38 prominent colleges in the East-North region of Delhi, through diligent phone calls and personalized communication via email and letters. Impressively, 27 of these exceptional institutions have dedicated equal opportunity cells that prioritize providing specialized assistance to differently abled students in finding their ideal academic or professional path.

Announcing the beginning of our Think College venture, we take immense pride in enlightening the faculty and students of colleges situated in East-North Delhi. Over 18 days spanning from March to May 2023, we received an overwhelming response of acceptance from nearly 38 distinct colleges. This fuels our determination to carry on our goal of amplifying knowledge and optimism regarding college education or children with different abilities.

# Special Recognition to the think college learner:

It gives us great pleasure to announce that Souham Deb , a diligent young and special learner of Think College, have been awarded the prestigious consolation prize at the Ghazal Competition held at Miranda House.
