**Registration Details: F-3160/kutch**

### Introduction:

The Navchetan Andhjan Mandal has served divyang individuals for the past several years and is actively involved in their service. With the current government promoting the inclusion of differently-abled individuals in sports through programs like Khel Mahakumbh and Paralympic Games at the state and national levels, the need for a dedicated sports organization for differently-abled individuals became apparent. Considering this, in the executive meeting of Navchetan Andhjan Mandal, the decision was taken to establish a new institution under the name: "Navchetan Divyang Sports and Cricket Academy"

The extracurricular activities have a positive impact on the students' emotional, intellectual, social, and interpersonal development. By working together with other individuals, students learn to negotiate, communicate manage conflict and lead others. Taking part in these out-of-the-classroom activities helps students to understand the importance of critical thinking skills, time management, academic and intellectual competence. Involvement in activities helps students mature socially and great status in student interaction, relationship formation and discussion. Working outside of the classroom with diverse groups of individuals also allows the students to gain more self-confidence and combat differences and similarities. If a child is engaged in an extracurricular activity that he/she enjoys and has the support of a group or team, it promotes positive behaviors. Children involved in extracurricular activities achieve better grades than those who are do not, and these activities often teaches them lifelong skills and build their character.

THANKS TO THE TEAM !!  
It was a great  
experience for our students of  
BED, 2nd year to see this school  
which is an exact example of  
inclusive education. They have  
a subject, hence I as a  
teacher of the same subject  
felt happy to actually show  
them the aids & proper infra-  
structure for the functioning of  
IE schools.  
The great work this  
organisation is doing under the leadership  
of Hemant sir is a privilege to see.

| <p>We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.</p> <p>In the execution of our audit, the concept of materiality is paramount and directly informs our methodology, particularly in the verification of samples. Materiality represents the threshold at which the magnitude of an omission or misstatement in the financial statements is likely to influence the economic decisions of users. This concept guides us in selecting areas of the financial statements where there is the highest risk of material misstatement, thereby shaping our focus and the extent of our audit procedures. It is important to note that our audit does not encompass a detailed examination of all transactions, but is rather limited to the verification of information on a test basis, within the limits of materiality. As such, in accordance with the principles of materiality and sampling, our audit is designed to provide reasonable assurance that the financial statements are free from material misstatement, whether due to fraud or error. This framework is essential in shaping the conclusions expressed in our auditor's report.</p> |  |                                                                                     |

| <p><b><u>Further description of the Auditor's Responsibilities for the audit of the financial statements:</u></b></p> <p>As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:</p> <ul style="list-style-type: none"> <li>(i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.</li> <li>(ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.</li> </ul> <p>Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.</p> <ul style="list-style-type: none"> <li>(i) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the trust to cease to continue as a going concern.</li> </ul> <p>We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.</p> |
