AboutUs

Asmita Vikas Kendra is a non-profit organization, which works to fund and operate projects and activities that empower individuals, instill self-confidence, promote respect, and provide tangible tools to allow individuals to contribute positively to society. Our efforts focus on disadvantaged communities and families with constrained financial resources.

Asmita means "I am" and refers to the "feeling of I-am-ness, the principle of individuality that enables us to identify ourselves as apart from others." Vikas means development. Together, Asmita Vikas empowers the individual as a whole regardless of their financial status, caste, gender or religion.

Our immediate goal is to reach out to each and every person of the Bharuch District of Gujarat, irrespective of his or her religion, caste, or financial status (priority will be given to families who have constrained financial resources).

OUR SERVICES:

1): AsmitaFREE Residential School for DivyangMentally Challenged Children :

This is a residential school (**Totally free of cost**) for divyang children with developmental disabilities. **This is the only free residential school for these divyang children in the Bharuch district.** The primary objective of the school is to provide developmentally disabled children a healthy and nurturing environment, where they can learn tangible skills to help contribute positively to society and feel like valued members of society. The school opened on May 27, 2007 and currently has 93 students enrolled from all over the state of Gujarat. **Most of our divyang children come from socio-economically disadvantaged families with very poor or no knowledge about their disabilities.**

- ❖ **We give training A.D.L(Activity of Daily Living) training to our children by our special teacher :**

- ❖ **Yoga :-**

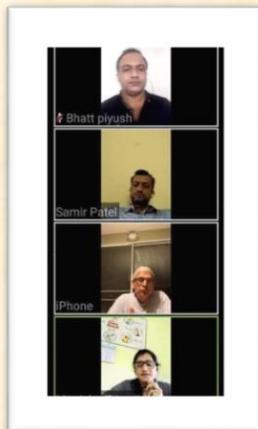

❖ Outdoor Games :-

❖ Recently Crises of covid -19 (Corona virus), We start online education for children at Home:-

The organization is currently working hard to ensure that children can get a good education / training at home, even at home. Discussing how to do a good job inspired the teachers to do a better job.

Asmita vikas Kendra has organized a special educational program for the mentally handicapped children. At present, due to lockdown, the children have been sent home from the hostel. Activities are given, and videos of the activity are sent to the children so that the parents are happy too. I am happy to see that this program is organized by the board of the organization. At the same time, the District Social defense Officer Shri A.Y.Mandori sir has also given his guidance and cooperation and has interacted with the children.

The founders of the organization Mr.Pravinbhai Patel and Arunaben Patel have also talked to the children and parents from America and their enthusiasm has increased. The trustees of the organization have also talked to the children and their enthusiasm has increased.

➤ **Sensory Therapy:**

Sensory therapy to our special Divyang children by occupational Therapist.

➤ **Co-curricular Activities:**

- □□□□□□ □□ □□ □□□□□ □□ □□□□□□□□□□ :-

➤ **Festival Celebrations:**

Fleg hosting by Dr. Datt Modh sir (E.N.T Specialist,Bharuch) specially Thank you sir for coming in continuing Rain and corona crisis.

Rakshabandhan celebration with our divyang children dear Masum and dear Sukhi. May God, bless our both daughter of Asmita vikas Kendra.

➤ Cultural activities:

To develop various skills (like, recreational skill, motor development, balancing, eye-hand co-ordination etc.....) cultural activities plays important role.

2) Homeopathic Treatment :

Homeopathic treatment rendered to our children for the last two years by **Prof. Dr.J.J.Patel** and his dedicated young physicians (over 20 + doctors), with generous funding from **Jivandeep Foundation** (founder shri Hashmukhbhai Jagjivanbhai patel, Ankleshwar), have made measurable changes in the activities and intellect levels of Asmita's mentally challenged children.

3) Mobile Interactive Study Library:

With the help of philanthropist and visionary, Mrs. Swatiben Sandip Desai, and with cooperation from District Education officer of Bharuch District, the mobile library project was launched in three government primary schools of interior villages (Tralsa, Karela & Pipalia). In the future, this project will expand to more villages. Swatiben is an educator and trainer in the schools and colleges of U.S.A. who believes that reading and writing skills are very important in broadening children's horizons to pursue higher education and fulfill their future dreams. This project is in memory of her parents.

❖ Success Story of our School :-

SUCCESS STORY OF SAHIL SHAIKH

Sahil Shaikh came to ASMITA at the age of Six with severe I.Q. level, It was quite difficult to assess him, extremely hyper active, he refused to respond to any thing. He just sat smiling with his head down to the extent that his face was buried in his chest. During his assessment he showed some interest in stitching. His parents are very poor they were quite worried about his hyper behavior as he was not socializing even with family members, friends and neighbors and had become a topic of discussion amongst them.

The first year of training was focused on peer & teacher interaction. Though his work performance improved, due to his extreme hyper activity and poor communication skills it was difficult to build on his talents. ASMITA has been working continuously on his communication skills and self confidence.

To improve his interaction, he was placed with different teachers, special educators, therapists and students and was also given various

responsibilities. This intervention proved successful as his communication and interaction skills improved greatly. Now Sahil Shaikh greets all staff members on the first meeting, the continuous efforts of ASMITA team paid off as Sahil Shaikh now happily completes his allocated tasks & responsibilities and has become very caring and helpful towards his schoolmates.

SUCCESS STORY OF AKSHAY PARMAR

AKSHAY came to ASMITA at the age of Eleven with Mild I.Q. level. AKSHAY an inspiration for many, a live example of courage, dedication, devotion. His academic level was also very low. In ASMITA was given regular academic remediation by the trained special educators. This turned her into a very active. He is showing her talent in drawing and painting. He plays the lead role in majority of dances skits and dramas. AKSHAY is one of the brightest students of ASMITA, who proved that if an opportunity is given at the right time and in the right direction.

To continue to build these skills he has been placed On Job Training in “Asmita Pankaj Priyam Vocational center”. On completion of this training we anticipate he will be ready for job placement within the community.

ASMITA appoint job to him as an assistant peon work.ASMITA gives salary per month on his bank account. We sincerely wish he achieves the capacity to earn independently and contribute financially.

THANK YOU
