ACTIVITIES OF THE TRUST :

1. SPECIAL EDUCATIONAL CENTRE FOR MENTALLY TREADED

The Kongu Arivalayam Special School for Mentally Retarded was started in the year 1988. The school is providing special education to mentally retarded children in the age group of 6 to 18 years. There are currently 73 students getting trained in our school. The classification of children is done according to the chronological age and mental age. In this centre, many awareness programmes are conducted for Anganwadi workers, Nursing and Medical students, Social workers and the general public.

In this centre, the following trainings are given

➤ Self-Help Skills

The mentally retarded children are trained in self-help skills like dressing, grooming, toileting, eating and personal hygiene.

➤ Application and Academic Skills

➤ Behaviour Training

➤ Pre-Vocational Training

➤ Gross Motor Activities

➤ Fine Motor Activities

2. PHYSIOTHERAPY UNIT

One Physiotherapist visits the school on regular basis to provide therapy for children. Parents of the children are also given training for continuation of therapy at home.

3. SPEECH AND OCCUPATIONAL THERAPY

Speech and occupational therapy services are also provided for the overall development of children with intellectual disabilities.

4. GAMES AND SPORTS

All the children are motivated to take part in different types of games and sports activities to stimulate and activate the brain to take interest to move along with other children which ultimately initiates the mind and brain development and slowly creates interest in them to imitate other children in their different activities.
