After that the copy of the audited accounts were distributed among the members showing the Receipts and payments during the referred period of Rs. 1279380.00 (Rupees Twelve Lakh Seventy Nine Thousand Three Hundred Eighty Only ) .

### 1. GAUSHALA EXPENSES :

Gaushala initiative is driven by the society in district Gonda for cow protection and welfare, offering a safe place for rescued and aging cows. Through careful care, including proper shelter, nutrition, and healthcare, we ensure their well-being. Furthermore, the program extends its impact beyond the Gaushala's boundaries by conducting educational workshops, engaging local communities, and imparting valuable skills to farmers and caretakers. By demonstrating the harmonious integration of cow welfare with organic

farming practices, this program not only safeguards these gentle creatures but also contributes to a more environmentally conscious and economically sustainable ecosystem in Gonda.

## 2. CULTURAL PROGRAM :

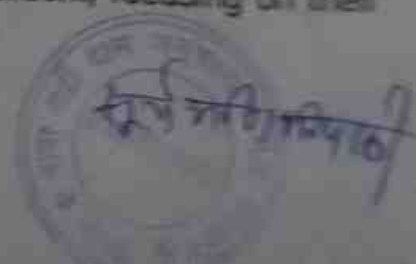

Two days Lok Geet Utsav was organized by the society at their head office to celebrate the rich cultural heritage of folk music, showcasing the diversity and beauty of traditional folk songs from various regions and to promote and preserve the enchanting art of Lok Geet. The main object of this program was to provide opportunity to and a suitable platform for artists to demonstrate folk art of their culture and introduce to people about their rich culture.

## 2. ROAD SAFETY AWARENESS PROGRAM :

Due to road accidents, the number of people who died in these accidents is also increasing. Generally, the root causes of road accidents are lack of knowledge of traffic rules, driving by immature drivers, high speed driving above the limit speed, ignoring safety measures, non-compliance with traffic rules, deteriorating road conditions, etc. With this in mind, Road Safety Program was organised by the member of the society in district Gonda U.P.. The main aim of this programme was to aware the public by the rules of the roads and the benefit of these rules. The programme was appreciated by the public very much

## 4. MENTAL RETARDATION SHELTER HOUSE CUM TRAINING CENTER :

Mental Retardation Shelter House Cum Training Center invaluable facility provides a safe and nurturing environment where individuals with mental retardation receive specialized care, training, and support. This center is equipped with dedicated staff and resources to address the unique needs of each resident, focusing on their

physical, emotional, and cognitive well-being. Through structured training programs tailored to individual abilities, we empower them with essential life skills, aiming to enhance their independence and overall quality of life. By establishing this shelter cum training center, we aim to not only alleviate the burdens faced by families and caretakers but also create a warm and inclusive space where these individuals can thrive, experience dignity, and lead fulfilling lives.

#### 5. OLD AGE HOME :-

The Old Age Home, compassionately run by the society in Gonda district. This center provides a safe and nurturing environment where elderly residents receive personalized attention and support for their physical, emotional, and social well-being. With a team of dedicated caregivers and a range of amenities, we ensure the comfort and dignity of every resident. Activities and programs are tailored to cater to individual preferences and capabilities, fostering a sense of community and belonging. Through this initiative, we aim to alleviate the loneliness and challenges that many seniors face, offering them a place of solace, camaraderie, and the opportunity to age with grace and dignity in Gonda district.

#### 6. HUMAN RIGHTS AWARENESS PROGRAM :-

The Human Rights Awareness Program, organized by the society in Gonda district, is driven by a comprehensive set of aims and objectives. Our primary goal is to educate and inform individuals about their fundamental human rights. We strive to promote a culture of respect, equality, and non-discrimination, ensuring that all members of the community are treated with dignity and fairness. Through advocacy, we aim to influence policy and legal frameworks to better protect and uphold human rights.

## 7. SANSKRIT LANGUAGE PROMOTION PROGRAM :-

The society conducted one day program on "Sanskrit Language Promotion" at their head office and main aim of this program is to bring Sanskrit back to the forefront in India and to create and support a movement to Sanskritise India again and To promote effective teaching and learning of Sanskrit language and its literature.

The Vocational Training Program organized by the society in Gonda district. It is a diverse range of structured training modules, including computer literacy, tailoring, carpentry, and other pertinent vocational skills, we strive to provide participants with tangible expertise that leads to sustainable employment opportunities. By fostering entrepreneurship and instilling a sense of confidence, we aim to bridge the gap between skills acquisition and practical application, ultimately contributing to economic growth and self-sufficiency in Gonda and its surrounding areas.

## 9. ENVIRONMENT AWARENESS PROGRAM :-

The society organized a camp at Parsatiwari in district Gonda to discuss the impact of growing pollution on the human health and environment . The eminent speakers discussed the factors lending to increase in all types of pollution including water, air and sound pollution. It was felt that there is need to speeding the process of removing old vehicles, reduce the use of Plastics, Compulsory use of effluent treatment plants by the industries and all other methods which can be helpful in reducing and controlling the pollution

# 10. ANIMAL AND BIRD REHABILITATION AWARENESS PROGRAM:-

Animal and Bird Rehabilitation Awareness Program was organized by the society in district- Gonda (U.P). The goal is to raise awareness about the importance of rehabilitating injured or displaced animals and birds. This program provides education on proper care and rehabilitation techniques, emphasizing the significance of preserving local biodiversity. We also collaborate with local communities, veterinary experts, and governmental agencies to ensure the successful rehabilitation and release of these creatures back into their natural habitats. By instilling a sense of responsibility towards our fellow inhabitants of the natural world, we hope to create a more harmonious and ecologically conscious environment in Gonda and its surrounding areas.

## 11. PROGRAM ON WOMEN RIGHTS:-

Women Rights awareness program was designed to promote gender equality, empower women, and raise awareness about women's rights in society. The program aims to educate women participants about their rights, foster gender-sensitive attitudes, and provide tools to advocate for gender equality.

## 12. FOOD AND BLANKET DISTRIBUTION PROGRAM ON MAKAR SANKRANTI:-

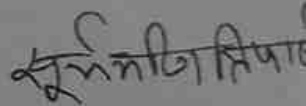

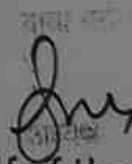

The Food and Blanket Distribution Program, organized by the society on the occasion of Makar Sankranti in district Gonda, this program was a vital humanitarian initiative aimed at addressing immediate needs within the community. Through this program, we endeavor to provide essential sustenance and warmth to those facing hardships, ensuring that no one goes without a meal or a blanket, especially during challenging times. By

collaborating with local partners and leveraging community support, we aim to reach the most vulnerable individuals and families, offering them comfort, security, and a sense of hope.

### 13. MENTAL RETARDATION DAY CARE REHABILITATION CENTER:-

Mental Retardation Day Care Rehabilitation Center run by our dedicated society in Gonda district, serves as a lifeline for individuals facing intellectual challenges. This center provides a safe, nurturing environment where individuals with mental retardation receive specialized care, therapy, and skill-building activities tailored to their unique needs. Our dedicated team of caregivers and therapists work tirelessly to support their physical, emotional, and cognitive development, aiming to enhance their overall quality of life.

*There was no other business to be transacted. Therefore the meeting was terminated with the vote of thanks to the chair.*
