VISION

We believe that education is a very important tool to change the society, although its impact reflects after a decade or two. There is so much to do to make man free from evils or to change the society for positive and to make the man, state, nation, or world, perfect as far as possible. We can make this change only through good teachers. It is our faith that 'A teacher is the nation builder'. So to make the society, as it should be, it is must to prepare the teachers, who may prove able themselves, for this cause. We are to make our institute a suitable component for the same.

MISSION

To educate, organize and empower the CWSN to promote development as a liberating force for achieving social justice, economic growth and self-reliance.

Message By Secretary

Ch. Dharmartha Samiti Run by Ch. Charan Singh Institute of Special Education began with a man's dream to create an institution where students with special needs would be educated to actualize their potential and succeed as human beings. It is an institution striving not only for academic excellence but producing seasoned human being who shall take the reins of the nation and become valuable assets in the great progeny of teachers. Keeping in the time with the developments in the educational strategies around the globe, DKSKS has been envisioned to develop into a strong centre for providing total quality in education of children with disabilities. We are committed to contribute to future of the nation by creating seamless education opportunities.

Message By Chairperson

Ch. Dharmartha Samiti Run by Ch. Charan Singh Institute of Special Education is an epitome of the education of children with disabilities imparting value-based, skill-oriented education. Over the years, it will grow into a leading educational centre in this region, widely recognized for its modern infrastructure. Vibrant campus and academic excellence in the fields of special education. The most precious of all resources is the "human resource" and the process & prosperity of any organization, society and that of national depends on the skills and the competence of its citizens in various disciplines and those can be produced by skilled teachers, So the students of this college are to become such type of teachers.
