with entertainment facilities through Color T.V. Tape Recorder and reading new papers & visiting historical and mythological places. We are also arranging cultural programme like Ramayana, Daskathia, Pala, and Bhagavat & Gita Charcha for religious development of aged inmates. The organization has established a senior citizens club at Maa Bhagabati Seva Sangha in the district of Puri. In addition to providing Tiffin, the members were provided with facilities such as free library, free outing. Yoga training, indoor games etc. They are stimulated to participate in the project to use their potential for self-development. Once the major objectives of this program is to make them economically sound and develop acceptability in their family as well as in Society The beneficiaries of the home themselves involved in

such activities that would promote co-operation and fellow feeling to enjoy their stay. Besides periodically counseling is made to understand the sentiment of the beneficiaries leading to their psychological rehabilitation.

ENVIRONMENTAL AWARENESS PROGRAM

We have to protect and save the environment to maintain the ecological balance. Pollution arises due to population explosion, rapid growth of deforestation and industrialization. Looking at the urgency and essentiality of the situation, Organization has been putting its best efforts to organize people to save the nature from exploitation. This year, it organized a one-day awareness program on environment at Bedapur of Gop block, with a view to promote environmental protection in the rural areas, with special emphasis on water and waste disposal management About 200 villagers participated in the program. Forest Department Officials and local Social Activists also attended the program. They made people aware about Environmental degradation and motivated them to plant trees in their localities as a Measure towards protection and ecological balance.

YOGA TRAINING

Indian Culture is closely associated with Yoga and Pranayama. Practicing Yoga has not only spiritual value but it has also great value in keeping one fit and healthy. Recently yoga has been found immensely popular among the people all over the world Yoga practice should be imbedded at a very young age. Thus, in order to do that organization is teaching the school children yoga in the district of Puri. At present the Organization is involved in teaching yoga to school children in the schools. In future we plan to make this programme in much bigger scale.

WOMEN EMPOWERMENT PROGRAMME

A major area of concern for the organization has been the "Women Development Since last 5 years it has taken up well planned programmes of awareness general. Group formation. Leadership development, skill training and income generation programmes for women. In fact, it is the part of broad framework of raising the status of women in the area, especially of the under-privileged categories. Secondly, the strategy the organization towards any developmental effort has been the involvement of women as catalysts.

In order to involve the village women in the process, the first and foremost approach has been women meetings and awareness camps for them. Last year the organization had organized a number of women meetings, training and awareness camps. The camps have experienced the lectures, discussions, audio-visual shows, at lets and

posters etc. as the method of communication. The theme has covered women related subject like: Society, women and their rights, Atrocities on women, Women and law, Need for women's organization, Economic independence and self-employment of women, Women and environment, Women leadership, Anti dowry campaign. Small saving, SHG formation, Opportunities and facilities for women from Govt. and Non Govt. sources.

COMMUNITY ORGANISATION

Strengthening of the existing C.B.Os Women SHG groups, youth groups and VDCs for their own community development form the basis of the group's intervention. This is being done through facilitating village level meetings, support to the SHGS, facilitating community access to the government offices, etc. Through this process the 278 women groups already promoted by MAA BHAGABATI SEVA SANGHA would be rendered intensive promotional inputs by way of imparting Leadership training to their leaders. The leaders of these village levels groups would also be enabled to gain skills on Social Analysis, Micro Planning, group management; knowledge on various government schemes, Rights based law of the land protecting the interests of rural neglected poor women and that of the women of the community.

Observation of Saraswati Puja

LEGAL AID:

Going by the complexities of problems surrounding the poor harassed women at the household to community level it is envisaged that the process of empowerment needs to take care of the victims of atrocities. This advocates the cause of the Girls/women trafficking process in the area with the growing Bridegroom Market where young girls of poor families are sold to pimps and desperate Bride from outside states. In addition to this the group had helped 20 victims of household abuse, untouchability, and rights on health/education and liberty to pursue a vocation.

LEADERSHIP CAMP:

The leadership camps form an important part of the Organization's activity to promote grassroots women leaders. The representatives of the VDCs and WSHGs were given two phase Leadership and skill improvement Training to assist them learn on the group management, government procedures/schemes/laws. During this year total of 121 members of the SHGS were trained under this program.

SUPPORT SERVICES:

The organization extends regular guidance and assistance to badly need. Disabled and down trodden youth who approach the organization for getting the benefit of different governmental and non-governmental schemes offering them financial assistance, scholarships and concessions.

MEETING & SEMINARS

Meeting and seminars are conducted for the youth to decide upon the course of action at various stages of life including career opportunities. Counseling on certain broad issues is also taken in their meetings. Many confused youths feel this is a great help to them and sometimes express the desire to attend more such sessions. Thus, our Organization has been trying to do its best to the community in general and to the economically weaker section in particular.

HEALTH AWARENESS AND CHECK-UP CAMP:

Various strategies and effective actions were adopted to make the people fully aware and educated through cultural show, group awareness, village meetings poster exhibition, door to door campaigns motivation etc. In different clusters and places health our dedicated physicians' Volunteers, paramedical workers and social activities Organized check-up camps.

COMMUNITY HEALTH PROGRAMME

For improvement of health status, in 5 villages of GOP Block of Puri District. Community development programme is being running with our volunteers, animators, physician's paramedical workers and social. Exposure visits of Health teams to health checkup, distribution of medicines, trained village/slum leaders about first Aid maternity and childcare Ante-natal care given to mother etc.,

MALARIA ERADICATION PROGRAMME:

The entire district is a malaria endemic region Hundreds of people suffer Malaria every year. Sometimes the disease becomes fatal with a little precaution, this disease can be prevented. Thus, the organization undertook 1 drive to make the people aware how to prevent malaria by keeping their environment clean and using mosquito nets Quinine tablets are given to the people as a preventive measure. The organization was organized 4 camps towards awareness about malaria in GOP Block of Puri district

JALACHHATRA

People of our state are facing great difficulty during summer season due to extreme heat. Considering the heat our organisation has opened 8 nos. of water distribution stall in different places of Gop, and Nimapada Block, Patelia, Nagpur & Konark. Our volunteers are working hard and serving for the society. They are taking risk of their own. People are resting with great pleasure under the shade.

Water distribution camp

CANCER AWARENESS PROGRAMME:

There is a myth that cancer cannot be cured. But due to the progress of medical science this dreaded disease has been tamed to a great extent. But 1 effective cure of cancer early detection is a pre-condition. Women are more panic ratio cancer, especially breast-cancer. But the rural people are largely not aware of this disease. They do not know the methods of detecting it. MAA BHAGABATI SIVA SANGHA organized a Cancer Awareness Camp at Bichitrnanda Blind School Campus. In this camp cancer specialists explained to the women how to detect suspected cast of malignancy. More than 150 women and 245 men were participated in this programme.

WATER & SANITATION PROGRAMME:

Due to the unhygienic conditions like open defecation, unsafe drinking water, non-disposal of solid and liquid waste water-borne diseases are very common in the rural area. The main reason for this unsafe practice can be attributed largely to ignorance. In order to address the problem MBSS organized padayatras, rallies and street plays in GOP Block in Puri district. An attempt was made to spread the message of clean sanitation among the rural people. Several water sources were disinfected as part of the campaign. The people were explained regarding the harmful consequences of oper defecation and urged to use a household latrine. Awareness campaign was also Launched at the local schools as part of the school sanitation programme

WELFARE OF CHILD LABOUR

Maa Bhagabati Seva Sangha has identified and takes up to rehabilitate and welfare of the child labour of GOP Block of Puri District. The main cause of child labour is very obvious. It is due to the immoral acts of the grownup, poverty, death of parents, Collapse of the family, ill treatment, intolerable domestic environment, Crime etc. Due to the severe economic and starvation condition of family children is compelled to do labour for maintenance of family. Objective of welfare services for destitute children should be to rehabilitate them as normal citizens in the community they belong to. The programme should include ameliorative services of food, shelter, clothing, medical attention and curative services of education, pre-vocational training, vocational guidance, recreation and cultural development and citizenship education. The effort has to be made to make the children when they grow up, job worthy. Besides providing services for the destitute children, efforts are required to be made to prevent further spread of destitution among the future Erations

HIV/AIDS AWARENESS PROGRAM:

We have conducted HIV/AIDS Awareness program on 15th Aug. 2022 at Konark regarding most dreaded disease HIV/AIDS, Oriented youths on the issues of HIV/AIDS for development of conceptual clarity and creation of positive attitude among the community to realize HIV/AIDS as a health hazard adversely affecting the indicators of human development (income poverty and earnings capabilities) and a backdrop against individual liberties and rights. The youths were motivated to mobilize support of their communities for an enlarged community initiative for prevention and alleviation. The AIDS problem and their Gentlemen of the locality and the animators have attended and addressed the meetings.

CONSUMER AWARENESS PROGRAMME:

The Organization has organized so many awareness meetings at different Gram panchayats of Puri district. It was a very successful meeting aimed to enlighten the people on different aspects of Consumer awareness. The resource person also highlighted their experience and ideas and enable them to develop and understanding of their problems and ways to tackle them. As discussed earlier, during the year much attention was given towards organizing people and bringing development for their idea about awareness of consumer. During this year organization will awarding about 225 nos of public get benefited.

VOCATIONAL TRAINING

The youth of today are at crossroads. After finishing education, they cannot find many jobs as there are not many jobs for them nor they can go back to the villages to undertake farming and related activities. Again their present level of skill does not permit them to get a job for themselves in the highly competitive job market. In order to equip the youth with skill Training, MBSS organized several vocational training programmes for the youth, especially for the women.

Tailoring Programme:

Tailoring and embroidery comes naturally to women. But most of the time their natural talent is not sophisticated enough to earn them a livelihood. Keeping this reality in mind MBSS continued its training programme on tailoring and dress designing exclusively for women at Bantapada. In this training programme 502 young women from rural areas participated. They were given training in the whole gamut of dress designing, embroidery, appliqué work, patchwork and fabric printing. After the training programme many of the women have established their own units and some have found suitable employment.

Bamboo Craft Training:

We conduct the training program on Bamboo Craft for the rural youth of GOP block of Puri district. The main issue of this training programme was to make the house hold Bamboo craft. We would like to prove a point that through our training program we would make them to self-reliable.

Training on Agarbati Making, white phenyl, chalk:

Keeping in mind the growing popularity of soft-toys in the urban area MBSS started at Agarbati training programme. This received overwhelming response from the women. As many as 250 women showed keen interest to learn the trade. But due to paucity of funds accommodate only 40 trainees.

Appliqué Works:

The organisation continued its training programme for the women in Readymade garments. This year 12 women trainees mostly belonging to the SCs, STs and OBCs benefited. MBSS took special care to find employment for some of these women after their successful completion of the training programmes.

Secretary
Maa Bhagabati Soba Sangha

INCOME GENERATION ACTIVITIES:

To encourage the youth for self-employment the organisation is implementing several income generation programmes as model units. These activities are intended to be models for the target group so that they can emulate the activities and can be employed. During the year of reporting MBSS undertook activities like Bamboo & Cane Leaf cup & plate making, poultry, goatary. Agarbati training, pisci-culture, Brass metal etc. in which more than 100 people, mostly youth benefited. Reporting MBSS with the active involvement of the local beneficiaries directly implemented all these programmes After doing the activities on an experimental basis many of these people have taken up their own Income Generation Activities. We are trying to arrange funds for them through local financial institutions.

LIBRARY

The Organisation has organized a village library in the office premises in district of Puri. The organizers of the Organization collected some valuable books from local people and students to strengthen the library The library has become popular in the village and 25 people including students at an average are attending the library daily.

There is one big library hall in the school containing more than 600 Braille books of all types: including text books of course material, competitive exams books, fiction/novels, story books, holy books like Ramayana, Geeta, Mahabharata, Quran and Bible etc and other various reference – books for classes 1st to 12th & higher education also. School subscribes various fortnightly / monthly/ quarterly magazines and Journals useful for blind students and teachers for their updation of current affairs & general knowledge.

YOUTH LEADERSHIP PROGRAMME

Youth are a source of unbound energy, which can play an important role if tapped properly. In the period of reporting the MBSS organized a week-long youth leadership at GOP block in Puri district. More than 120 youths from the entire two district Participated. The participants were trained on various aspects of youth leadership Including nation building.

RURAL SPORTS PROGRAMME

In order to inculcate the spirit of competition among the rural youth the MBSS organized rural sports in the operational area. Athletics, football, Kabaddi, Kho-kho and the main rural sports, which were organized at the village level. Hundreds of youth participated in the rural sports programme organized at various parts of the year. During the year the organization started a Volly Ball Coaching Camp In GOI Block under Puri District.

FOREST & ENVIRONMENT PROGRAMMES

Maa Bhagabati Seba Sangha has implemented one day National Environment Awareness Campaign Programme at Ogalpur village of Gop Block under Puri District on 25th April 2022.
