

SEVANIKETHANTHIRUHRUDAYA NIVAS PAREL, KURISUMMOODU P.O.
CHANGANACHERRY, KOTTAYAM DIST. KERALA

ANNUAL REPROT FOR THE YEAR- 2019-20

One of the most important responsibility of the society is to open the doors for the development of the differently abled person . For this aim we, sevanikethan , opened a Special School ,name SevanikethanThiruhudayaNivas Special School for the upliftment of the school for Differently abled children, in and around our locality. It started on 25th June 1990, with fifteen students and one Ayah. It is affiliated to sevanikethan social service society run by sacred heart congregation of the sisters of St. Mathew's Province, Changanacherry, and Kerala. At first the children were unable to do anything for themselves neither could they talk nor express themselves .By the training they got during these and now they are able to understand things, respond to bidding, sing, dance, read, writes, travel in bus and occupy themselves with one or other. They are practicing vocational training also.

A total of 32 students are there who have the disabilities of MR (25), CP (2), and Autism (5) are divided into 7 groups on the basis of age and ability.

MANAGEMENT

The management of the school is vested on the Sacred Heart Congregation, St. Mathew's Province Changanacherry. Present Manager is Sr. Amala Jose S.H. The Manager is always rendering financial and advisory help to this institution. This helps to the steady growth of the school. They gave full support to us for rendering the school. The manager and the team visit our school and give directions for all round development of the school. Our management take initiate to construct a new building for vocational training centre and special school with all facilities.

STAFF

During this academic year dedicated 21 teaching and non-teaching staff were working here. Principal, 2 Special Teachers, 3 trained graduate teacher, 2 assistant teachers, one vocational instructor, 4 ayah, one sweeper cum peon, one accountant, one speech therapist, one physiotherapist, one doctor, one clinical psychologist, One dance Teacher , one craft teacher and one driver are working here. During this time, increasing the number of children with autistic than intellectually disabled. There for we introduced a separate session for autistic children and appointed a new Special teacher for their training. Besides developed a well established sensory and occupational facilities with the help of the CSR project of the Cochin Shipyard, Kerala, we provide various training programmes like curricular , co-curricular and motivational seminars to all the staffs in our school. All the trained staffs were participated in curricula training programme conducted by Govt. Of Kerala , which is related to the new curriculum for this field. The school principal is selected as a state Resource team member. Besides , the staffs were participated the training programmes conducted by the state special school association and certificate course for autism training. All the trained staffs

STUDENTS

This year school is re-opened on June 3rd 2019. There are 10 newly students are come to the school in the beginning of the day. Our institution have below 18yrs and others are above 18yrs students. The students are come and go through school bus, auto and private bus depending on the distance from their home. Because of the increasing of the strength we need one more school bus, due to the financial crisis we brought one more school van with rented.

SCHOOL ASSEMBLY AND CLASSES

On every working day assembly begins at 9.30 am. It includes prayer, pledge, National Anthem, News paper reading and mass drill. Students wear uniform in all days. The students are grouped in 10 classes according to their intellectual capacity. The School should follow a regular time table with 45 minutes on each class in every day. We following a new curriculum introduce by Govt of Kerala, Master Shorn Joseph passed the SSLC exam through saksharatha mission and our 4 students passed 4th class exam. And 8 students were passed the 7th class. Besides 3 quarterly exams were conducted in the academic year which is helps to assess the development and progress of the students.

PARENTS TEACHERS ASSOCIATION

The parents of our students co-operate with the staff for the progress of the students and the institution. The PTA assembles at the beginning of the school year. Selected Mr. Thomas Joseph, Ms. LathaRadhakrishnan, Sr. Beena T and Mr. Tony Varghese, were selected to President, Vice president, Secretary and Joint secretary in respectively. PTA meeting conducted thrice in a year and class PTA conducted once in three months. Students development and weakness are informed to all the parents in class PTA. Every day the staffs meet student's parents who bring the students to the school. The parents take active interest in all the school programmes.

CELEBRATIONS

The new academic year is celebrated and welcoming the new students in the first day in naming Praveshanaulsavam. Our manager was inaugurated the new academic year. Majority of parents and students were come to the school and celebrated the reopening day. The republic day, Independence Day, onam, Christmas, School day, Children's day and Birth day of each student and teachers are celebrated and rally was conducted on children's day which was celebrated colourfully. During this year Onam, our national fest celebrates with our children and their parents. We conduct separate competitions for parents, students, and teachers. We celebrate the teacher's day also disable day. During the disable day celebration the PTA honoured the all staff and presented their memento to us.

OMPETITIONS AND ACHIEVEMENTS :

Our students are participated various competitions in and around our district and other district and achieve prizes. Our 22 students successfully completed a computer training certificate

programme collaborate with AMBA institute, Bangalore. All the students trained the data entry system and those who are passed and get certificate from AMBA in the year.

Sports Meet

During this year we conducted a school level sports day competition in the name of 'Shila'. The students were grouped into 4 groups and each group headed by more than two teachers. This competition is led by general education teachers. It is conducted in a General School, S.B. Higher Secondary School.

Autism Unit:

Now a day, numbers of Autistic students are increasing than Intellectually Disabled children. Therefore, we started a new unit for training and development of the autistic children and appointed a new teacher qualified in Special education in Autism. During this year 26 students were studying in this class.

Sensory Therapy unit : Autistic children have various type of sensory issues. One of the remedies for this is to give sensory therapy and occupational therapy. Therefore we developed a well-established sensory and occupational therapy unit, with the help of CSR fund of Cochin Shipyard. This unit is number one unit in Kerala.

Homeopathic Treatment :

Autistic and Intellectually disabled students have many behavioural issues, problem and hyperactivity. Some time it will be decreased through use of some medication. Studies reveal that Homeopathy treatment is better than Allopathy treatment. Therefore we started a homeopathic clinic with the help of Dr. Indira, Rtd. Professor of National Homeopathy Institute, Kerala. She is coming once in a month and treat our children with free service. In my observation it is very helpful to our students.

VOCATIONAL TRAINING

The students at the age of above 18 yrs we are providing facilities for vocational training to make them self supporting. It is not only for self employment but also providing training facilities like Book binding, soap powder, umbrella and ornaments making for our students. We are given training and practice to those vocational activities and producing products for outside sale in small scale. Whatever we produced during these periods was distributed among the student free of charge. At present one vocational instructor and special educator and three helpers were working for their training.

ANNUAL GATHERING

29th Annual gathering is conducted on 22nd February 2020. Sri. Lalichan Kunniparrambil, Municipal chairman of Changanacherry was inaugurated by the Annual day celebrations.

All the students express their abilities with variety programmes on the stage. On this occasion, prizes are given to all students.

PICNIC

Education is the all round development of the individual. In connection with the development of the individual we are plan to give a chance to all the students to attend the picnic. Therefore we conduct a one day picnic to Ernakulam with 17 staff, 2 parents and 35 students. they got various experience through this journey, and boating etc. All of them are got knew knowledge about the visited different place. Through this programme students are enjoyed and they got knew knowledge about the play things and the surroundings.
