SOCIETY FOR HUMAN DEVELOPMENT
Nalbari, Assam, India.

The Beginning

Society for Human Development, Nalbari is a non-government organization (NGO). The organization is working for all around development of society. Over the years the society has involved to provide all around development of Differently Abled persons and socially deprived persons.

The Journey so far:

The Society for Human Development, Nalbari aims at bringing about all-round development of differently abled and general person. Over the years/ since inception, the Society has conducted activities of various natures with the objective and achieving the goals of the society.

An outline of the activities carried out over the years is given below:

Survey for identification of differently able persons:

Differently able persons in our society are not cared for or given due respect and rights even today which is a violation of human rights as well as the Act which clearly mentioned about the rights to which they are entitled. In many cases, even proper identification of differently able persons is not done. In order to identify persons with disabilities, the Society for Human Development conducted a house to house survey in 4 (four) blocks of Nalbari district i.e. Pub Nalbari, Paschim Nalbari, Tamulpur & Baksa. The survey was carried out by hired volunteers who had identified 2352 Nos. of differently able persons.

Type of Disability	Boys	Girls	Total
Mental Retardation	340	360	710
Cerebral Palsy	328	270	598
Hearing Impaired	241	218	459

Assessment Camp for Disabled Persons :

The society organized 2 (two) assessment camps involving specialist in convergence with Sarba Siksha Abhijan Mission, Assam – One at Masalpur block office on 8th June, 2008 and other at Tamulpur Higher Secondary school, Tamulpur Block on 9th June, 2008.

Setting up of Day Care Centre:

As a project of the NGO one Day Care Centre named “**SAROTHI - a center for ability development**” was set up at Palla Road, Gopal Bazar of Nalbari to provide intensive support and educational and therapeutic intervention to the needy children. After parents’ counseling and home visit by the members of the society, initially 3 (three) children were enrolled in the Day Care Centre. One with mental retardation, one with autism and one with hearing impairment. The Society has engaged two special educators – one with Diploma on Special Education – Mental Retardation (DSE-MR) and the other with Diploma on Education – Cerebral Palsy (DSE-CP) to provide intensive and need base support to the enrolled children.

- a) Maintenance of Child Profile :
Prior to the enrolment of the children in the center, case history including birth history was collected and individual profile for each child has been maintained.
- b) Awareness and orientation of Parents :
After home visit by the members of the society and briefing about the aims and objectives of the society, 3 (three) more children were enrolled – one with mental retardation, one with multiple disability and one with Mental retardation and half years old child with Cerebral palsy was enrolled and therapeutic intervention was provided.
- c) Parents’ Counseling
Members of the Society provided counseling to the parents. Problems faced by guardians of CWSN were also discussed.

Setting up of Children Home :

In the year 2016 as a project of the NGO one residential centre named “**SAROTHI – Children Home**” was set up at Gopal Bazar of Nalbari to provide intensive care and support to the children in need care and protection for Special Children, homeless and destitute children. The children home is registered under JJ Act. Total numbers of children in the children home is 24 (Boys -11, Girls-13) out of which 7 are differently able.

Meeting of Executive Body:

The meeting of the Executive Body of the Society was held in every quarter. Thus, 4 (four) nos. of meetings were held and plans were made up on future activity of the society.

2022-2023

Continuation of Day Care Centre:

The Day Care Centre “Sarothi – A centre for ability development” was continued and there was increase in staff and enrolment. The staff included Head Teacher, Special Educators, Caregiver & helper and Part time Physiotherapist, Audiologist and Speech Therapist. The number of CWSN increased to 73.
