INTRODUCTION

Idar, The town above tropic of cancer , in the world map is famous worldwide for its ancient heritage of Aravalli hills, Ideriyo gadh (hill of Idar) and its heat. While the sun throwing fireballs from the sky, the tree that spread its cool shadow in the middle of the town ,is the “Rashtriy Andhajan Mandal, Idar “ for 37 years in Idar town. Prof. Bhaskar Mehta and Mrs Pravina Mehta, who came here for his job in collage, but the condition of disabled made him to establish this institute. He started this NGO from a small corner of his Kitchen of their residence. After wandering here and there on a rented house for 35 years, today the organization is going to work in its own latest building “Bhaskar Bhavan” with double the zeal to change the lives of the disabled.

“ Education, Development and Rehabilitation” is the motto of our organisation Talking about the work of the organisation, education of the handicapped is given first priority, Braille and computer classes for visually impaired children, equipment-assistance, self-loan, Braille library, day-care centre for mentally handicapped, speech training for hearing impaired children, etc. are being done by the organization. Be it taluka, district, state and out-of-state competition, be it Mahakumbh, sports like cricket, the organization is always doing the work of providing free residential training to disabled children. , Children from areas like Malpur have been able to get government jobs today. Going to participate in International Para-Olympics as well this is a matter of pride.

The organisation makes a humble request to all the people that “Avo ek haath tum bhi badhao divyangjan seva ki aur ek naya dip jalao”

The family of the organisation feels happy to present to you a complete glimpse of the work and service sacrifices done throughout the year in the form of this report.
