

Samprat Education And Charitable Trust- Junagadh

(An organization working for the disabled)

Annual report

Year - 2020 – 21

The organization cares for orphan as well as children with extremely severe disable. As well as various types of training are given in this organization which serves the children in bed who are not aware of daily activities. Since children have severe disabilities, their first need is to be provided with water as well as food. Such children are then taught daily action exercises as well as social knowledge. A total 75 children are currently residing in the organization out of which 48 children are orphan and single parents and 22 children who are family as well as socially disadvantaged. No fee is charged for the children in the organization as well as orphans from all over Gujarat as well as other institutions to keep such children in the institute for 24 hours. The care of all these children is provided only with the cooperation of donors. " Fit Facility " Certificate issued by Gujarat Government's Child Protection Society for the best performance of the organization.
