Parents Meeting for Annually Assessment of Children

In March month we took yearly *Children Assessment* at the last on 27th March 2025.

Parents Meeting conducted at school premises. All the Parents participated in the meeting and discussed about the progress and development of the special children . We at *Pehchan* ensure the complete overall development of every special child leading to improved confidence and intelligence levels . Every children and parents are familiar with parent - teacher conference

.The duty of both a teacher and a parent is to identify the stage of their child . In a parent teacher meeting the two parties should discuss

the disability level of a child because how they improve their skills and which activities is conducting by parent and teachers .

Planning and organising parent –teacher meeting is fruitful in the sense that it facilitates communication between a special child's guardian at home and major caretaker at school.
