Success Story

Jay kumar

RACHIT Joshi's behavior problems are much less than before. Now Saket studies well in class and also takes lunch in school by himself.

pushpraj

After one year of training, MANJUSHA has toilet trained 90% and has started trying to eat lunch on his own in school.

There has been a lot of improvement in the personal skills of all the new students coming in the year 2024-2025
