ACTIVITY REPORT 2024-2025

CASE HISTORY

The beginning of the training for the mentally challenged children needs the detailed case history. The case history gives information about the early history, family history etc... The detailed case history is prepared in the beginning with the help of the parents and siblings.

ASSESSMENT

Based on the details collected in the case history and assessment is carried out with the help of a functional assessment check list. This analysis gives an idea of the positives and negatives in the child, which could be developed through training.

GROUPING

The detailed assessment would give ideas about the present condition. This also helps to understand the skills areas in which the child is able to perform. After this the children are grouped as Vocational. The classes are included accordingly.

LESSON PLAN WRITING

The lesson plan is prepared according to the level of each group. The detailed lesson plan helps in this systematic conduction of class. The lesson is prepared through various steps with simple learning activities. The lesson plan is prepared for a period of one month. The academic months started on following dates 10-6-2024,8-7-2024,6-8-2024, 2-9-2024,1-10-2024,4-11-2024,2-12-2024, 3-1-2025, 5-2-2025,10-03-2025

PREPARING TEACHING MATERIAL

Based on the grouping and assessment, teaching materials are prepared for use in the class. The ability level of the child is the main basis for the preparation of the teaching aids.

TEACHING

Once the lesson plan and the teaching aids are ready, the next concentration is in the activity of teaching. The pre-planned lessons, with the help of already prepared teaching aids, are handled by the trained teachers for the benefit of the children. The usual academic year is from June to March.

EVALUATION

A continued evaluation is carried at the end of each month to assess the progress by the children. The evaluation is conducted by the concerned class teachers with the set goals in mind. Each skill is taken and progress is introduced. If the child does not show any improvement, then be taken up for that particular child. There is a continued evaluation for each month and each term.

STAFF MEETING

Every month we have a staff meeting. This is to facilitate a collective planning and assessment of the improvement shown by each child. Each child is considered individually and the staff come forward with ideas to help the child. With the support from the parents and siblings. The staff meeting is conducted under the chairmanship of the Principal. The present academic year we had staff meetings 12-6-2024, 23-7-2024, 7-8-2024,18-9-2024,10-10-2024,11-11-2024

PARENTS MEETING

We have periodic parents meetings, usually in a term we have a meeting. Through such meetings we inform the parents about their role in the training given to the children. The wrong lifestyle and the evil effects of over protection of children by the parents.

CELEBRATIONS

Festivals like Onam, Christmas etc... Were celebrated in a grand manner. On that day we have cultural programs. There are many variety programs for children. We participate with each and every child in the programs.

Besides that, we also celebrate the birthdays of our children. Some of the other important dates are

St. Thomas Day

Independence Day

Onam Celebration

Gandhi Jayandhi

School Day

Children's Day

World Disabled Day

World Mental Retardation Day

Christmas Celebration

Republic Day

School Annual Day

TOUR:

On 27th February 2024 the children along with their parents and teachers all together 57 of them went for a study tour to Thrissur Peechi Dam, Snehatheeram Beach and park. The parents themselves provided breakfast and lunch. We all enjoyed the trip and the food together, thanks to all who co-operated. On first December 2024 we arranged a pilgrimage for the Students to Bharnanganam.

COMPETITIONS

To help the children to develop their cultural talents. The students are given training in Band set, Scout and Guides, dance, music, games and sports. The experts in those items are giving training for the students. Our children won many prizes in arts, sports etc.... The teachers also participate in various competitions.

COURSE AND SEMINAR

Our staff participated in many training programme's to learn more about the problem of mental retardation and the new developments in the training techniques. Such training programmes helped us a lot to know more about the problem of mental retardation.

YOGA

Yoga has proved to have a positive effect especially on students with behavioural problems like hyperactive, rebellious behaviour, poor concentration etc..... The children are given training in yoga everyday for an hour.

VOCATIONAL TRAINING

The children are given training in job oriented programmes. This will help them to be financially self-reliant and to live on their own. The differently abled children can be trained to make a living on their own. We have units like detergent powder, lotion, liquid soap, liquid starch, ornaments making, rosary, and candle making etc... To give training to the children.

PHYSIOTHERAPY

Physiotherapy is an inevitable programme in the psycho motor co-ordination of the mentally challenged children.

CONDOLENCES:

On June 23rd Vishnu s Nair and on 30-1-2025 Sonu Babu Both of our students of Assisi Centre passed away. The Students, teachers and parents went to his house and prayed and conveyed their condolences. Sr. Rani Maria's Father also passed away. The students' parents and teachers attended the funeral service and conveyed their condolence
