Community & Donor Support

We gratefully acknowledge the generous support from donors and well-wishers, especially the **Social Initiatives of Shri Kochouseph Chittilappally**, which enabled us to improve

facilities for our children this year. Their contribution towards the physiotherapy room and sensory garden project has been a milestone in our journey.

Looking Ahead

Our focus for the coming year will be to:

- Complete the sensory garden and playground setup.
- Strengthen vocational training units for students above 18 years.
- Expand therapy facilities and community outreach programs.

Conclusion

The year has been one of growth, resilience, and new beginnings. With continued support from our well-wishers, Deepthy Special School will remain committed to its mission of nurturing, educating, and empowering children with special needs, helping them lead more independent and dignified lives.

Thanks for clarifying 🙏.

If the **Annual Report Summary is for National Trust renewal**, it should be more **factual, official, and compliance-focused** (not donor-oriented). The National Trust usually expects details on student strength, services provided, staff, activities, government scheme implementation, and progress of special projects.

Here's a **structured draft** you can adapt:
