

# **Annual Report 2020-21 - Rotary Special School for Differentially Able Children, a Unit of Rotary M.B.M Charitable Trust.**

## **General Information about the NGO**

This NGO namely Rotary MBM Charitable Trust was formed in the Year 1991 for giving service and support to the Vulnerable group of the society with its Head Quarters at Rotary Village near Anandashram a well known Spiritual Centre known in the Country and Abroad. The members of the Trust include Rotarians and well-wishers of the beneficiaries.

During the last 3 Decades, this organization planned and executed numerous projects, as a result of the sincere efforts of its members and whole hearted support of our well-wishers.

Our prestigious project and landmark of prolonged service is the Rotary Special School For Differentially Able Children established in the year 1991. In the beginning, Intellectual and Hearing Impaired pupils were trained, but later on we gave focus to those persons and children included in National Trust Act disabilities.

The total number of students attending to this special school for this academic years are furnished disability wise as follows.

## Specific Activities of the Organization for the Academic Year 2020-21

In front of all the educational institutions of our state, the beginning of the academic year 2020-21 raised a big question mark- 'How to move further?'. Because the pandemic atmosphere of spreading Covid 19 adversely affected the normal smooth running of all such educational institutions.

Realising the reality of the situation, which never faced before, in consultation with the Governing Body, the staff members held a meeting chaired by the Principal, to discuss about the situation and prepare an action plan to proceed further. As the outcome of the meeting we decided to observe the important days of the academic year as online program. Also decided to use those occasions to enquire and evaluate the status of physical and academic skills of the children.

Date	Name of Program	Activity and participants
02/06/2020	Alaya Udhayamam	Online study using the available domestic technical equipments.
