About Us

During 2000 SPOORTHY registered and started collection of seeds, raising nursery, planting trees, organizing self help group, income generating programme, linkages with Banks and Line Departments. Slowly the activities expanded to multiple district and State. Taken up intensive activities at the grass root, and extensive awareness through campaign mode in the State. Spoorthy successfully demonstrated livelihood, women empowerment, natural resource management, quality education, protecting children rights, human right on food security issues, relief measures during flood, response covid-19 and humanitarian services.

Spoorthy, in its journey of last 22 years, has significantly contributed for enhancing living condition of marginalized section they include SC, STI, Landless, destitute women, children, marginal farmers etc., in Davangere, Gadag, Haveri, Chitradurga and Bagalkot District in particular and rest of Karnataka in general. Community participation is centred in all our activities. Our intervention at pre-primary and primary education; strengthening Public Distribution System and effective implementation Mahatma Gandhi National Rural Employment Generation Act (MGNREGA) to ensure right to food and work; income generation activities and skill development for poverty alleviation; protection and conservation of natural resources through local communities; promotion of women and child rights to address violence and gender discrimination; strengthening Grama Sabhas and Panchayat Raj Institutions (PRIs); enhancing dignity of farmers who dependent upon government land for livelihood were key area of interventions

Over 50,000+ marginalized families have been empowered economically. in Karnataka. More than 6,800 school dropouts are mainstreamed and 80% of them continued higher education at different level. Awareness and lobbying about MGNREGA ensured food security to 35,000+ families and reduced migration. Skill development assured income and employment to 15,545 families. 5,270+ farmers enjoying title deed of 5,379.34 Acre, who were dependent upon Government and Forest land and cultivating the same without a valid legal title deeds

Government of Karnataka and civil societies recognized the work of SPOORTHY, encouraged us by giving following award and appreciation:

1. Government of Karnataka and awarded “Kittur Rani Chennamma Prashasti” for the year 2012-13 for its exemplary work in the area of women development in the state.

2. Department of Labour, Government of Karnataka on June 12, 2013, on the eve of 'World Child Labour System Prevention Day' felicitated the organization for its significant contribution to eradicate child labor system and promoting drop out children.
3. Best SDMC awareness state award received from Education Department, Government of Karnataka, under Sarva Shiksha Abhiyana during 2009-10.
4. Best achievement award from Akshara Foundation for ASER-2012 Education Survey award.
5. Government of Karnataka Government of Karnataka recognized the service of appointed Spoorthy organization for protecting rights of children and appointed as Member (Sri K.B. Roopa Naik, Project Director, Spoorthy) to Karnataka State Child Rights Protection Commission (KSCRPC), Bangalore during 2016-17 to 2018-19.

Forward:

I am cordially inviting you all for the organisation 22nd Annual General Body meeting. We have completed 22 years in the development field and the organization. It gives me great pleasure and pride to present before you the annual report of the organization for the year 2021-22. I am extremely happy and proud to announce that organisation achieved our vision and goal, further stepping forward to 23rd years. The organization has been faced and addressed the challenges effectively. In this process it helped us finding and learning new things, growth, innovation and sustainability of the organization.

**Roopa Naik,
Secretary.*

The organisation is moving ahead with your all support, commitment, passion and guidance. Perfectly we tried and did our efforts to address our aims, objectives and beliefs set for the socio economic development of the marginal community. In this process we faced many challenges; we took this as learning and strive hard on positive sprit for resolving. Organisation moved forward with new thinking, innovation and integrated approach as our development strategy.

***N. Jayanna, President.**

Executive Summary of the

Annual progress report – 2021-22:

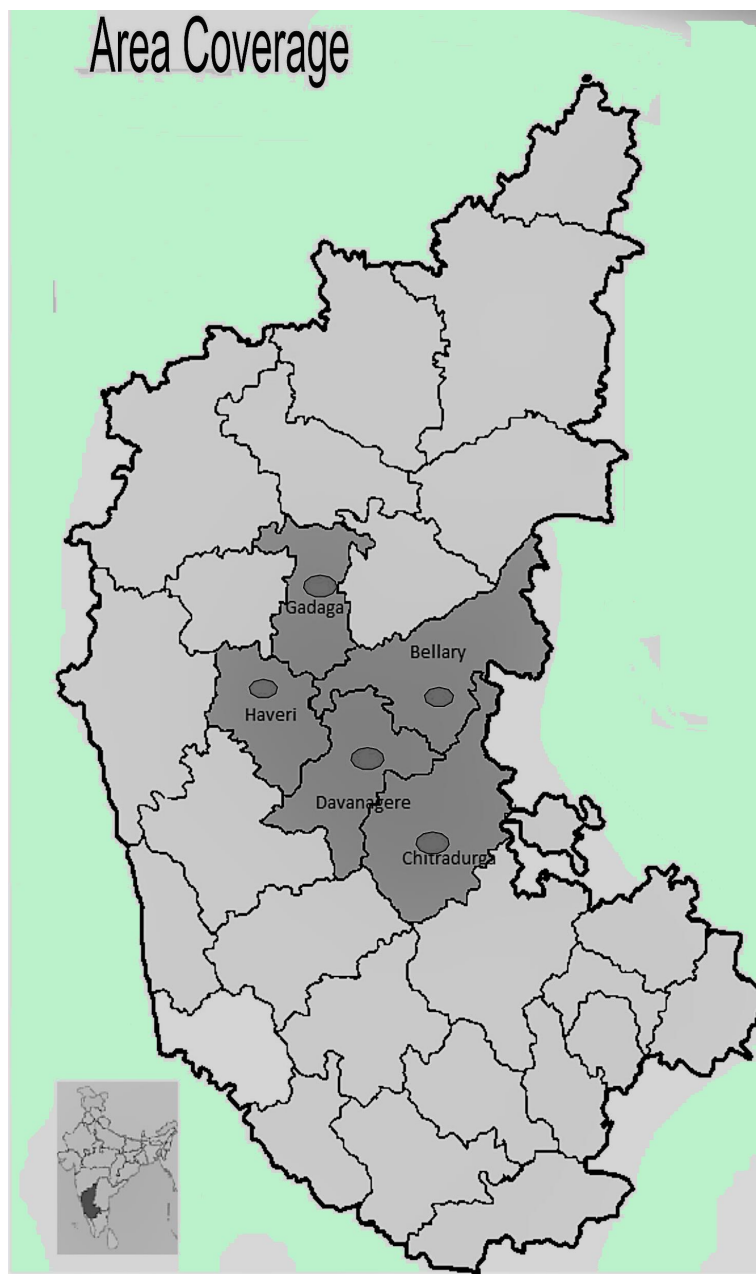

The organization, in its 22nd year on this auspicious occasion, has focused on enhancing the capacity of its target community - women, children, the vulnerable, the poor, the landless, the exploited classes - as well as on the people organizational growth.

A promising development has taken increasing capacity of the staff, eco-system management, resource mobilization, networking etc.,

In phase-out project area (after withdrawal of the project by the donor agency), Spoorthy extended monitoring support by capacity develop on leadership, linking with other projects and networks (Federations and Unions). Further linkages developed with similar other affiliated groups/ organisations working at State and National level.

Our Administrative works were strengthened by taking all updating in FCRA renewal and got five year registration (April 01, 2022 to March 31, 2027) extension. Further as per the amendment of FCRA the Bank account opening process at SBI, New Delhi is also completed and we filled all the relevant documents with the authority.

Society renewal as per KSRA 1960, filed Income Tax returns, got registration updated under 12A and 80G Income Tax Act for further 5 years. software updating, and all other statutory obligations of the organisations were updated. Organisation got registration at Niti Ayoga and National Trust.

Diversified livelihood, integrated support and need based quick financial assistance were extended to Self Help Groups, which brought several socio economic impact at village level.

- 15) **Vocational Training to School Dropout Youths:** The skill training organised continued with the support of FVTRS. 125 School droup-out trained in Fashion designing, Knitting, Embroidery, Security Guard, Cheff and Bakery, Salesman and Receptionist.

Following are the detailed activities, programs and interventions carried out during the year 2021-22.

1) Improving Livelihood of the Farmers of Bagar Hukum and Forest Land Cultivators:

The organization has been working on improving the quality life of the farmers in 8 Assembly constituencies of Davanagere and Chitradurga districts through Karnataka Land Rights Forum.

Organisation worked with the Government for the implementation and getting land rights to eligible farmers under 'The Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, and (ii) Legalization of Unauthorized Cultivation as per Karnataka Land Revenue Act, 1964.

Through affected People's Forum the organisation facilitated to get land rights, then started 1. Awareness and organizing those farmers, 2. Increase the productivity of the land, 3.

Mitigating measures for ill effect of drought and flood and 4 Forum strengthening – these four activities taken up during the year.

The organization identified bagar hukum and forest dependent farmers and organized them through village level forums. Various capacity development and empowerment process organised. Updated the information and knowledge on government systems and procedures. Used government circulars, orders; telling success stories of other parts of the State and built their confidence. Farmers network further developed from village to Taluk, Vidhana sabha constituency area and district level. Through training, workshop, meeting, information dissemination and other strategies were formulated to access their land rights.

Continuous lobby and advocacy were done through peoples network with implementing Officers, MLA, MLC, Ministers of Revenue, Minister of Forest, Minister of Social Welfare and Chief Minister. Direct contact, dialogue, submitting memorandum for their demand.

As an impact of the sustain demand finally Government of Karnataka, Revenue Department issued circular to speed-up for issuing Land Records to beneficiaries. Under the Forest Protection Act application of the scheduled caste were settled and the issue of land records got momentum in the State. Most of the Bagar Hukum land were reserved for 'Grazing land' so the hurdle started, efforts stuck down. Even though Government issued for one time settlement of Grazing Land and gazette notification in Feb. 2017 this move was challenged in High Court, again process of land record issue was further stopped. High Court

settled the problem and the process of land record is again started by the authority.

Due to the Spoorthy intervention in Davanagere and Chitradurga district 656 farmers got 1215.13 acre land rights under Recognition of Forest Rights Act 2006 and 2013 farmers got 4536.08 acre land rights under Karnataka Land Revenue Act 1964. Among 656 farmers 410 farmers got pahani (Land right record) under Forest Act and out of 2013 farmers 1945 farmers received pahani under Revenue Act.

Drought and Flood disaster management mitigation and reducing losses were discussed and mapping exercise done on hazards control and prepared action plan. Village level to district level empowering farmers organisation organised through regular meetings, trainings and resource mobilisation.

The proposed target implementation for the The Scheduled Tribes and Other Traditional Forest Dwellers to access title deeds for the land in their possession is needed; it takes another one year to work in the project area.

2. Child Helpline Sub Center, Honnali and Chennagiri:

With support of Ministry of Women and Child Development, Government of India, New Delhi and Concern India Foundation, Mumbai the project Child Helpline sub-centres successfully continued at Channagiri and Honnali taluks.

Awareness conducted through conduct regular meetings, discussion, open house meetings, night meetings and house visit etc., Children and parents were involved actively in these interventions. field visits and interaction have been continued. Other stake holders and community organisation representatives were involved in Open house meetings and outreach programmes. Grama Sabha conducted by involving SHG members and Village accountant. Organised Dosti programme and involved College Principal, Health workers, Auto drivers, Grama Panchayat members, Teachers, Asha and Anganawadi Karyakarteyaru.

During the year, a total of 1038 children were protected by the Child Helpline Centre on different types of help and complaints. Most of the cases are on child marriage, missing, seeking help from parents, sexual abuse, child labor, children begging, medical help, food grains not being distributed properly in Anganwadi, mental and physical assault punished by teachers in school. Hence Child Helpline addressed all these complaints and protected children from disorders.

Awareness programme were conducted in 122 school and addressed 12,030 children and 850 adults. Outreach programme organised for 12,300 children and 210 adults.

Four Open house programme organised and covered 1,250 children and 870 adults. 18 Dosti programme organised and covered 1750 children and 870 adults. 17 training programme organised for SHG women and other Community Based organisations representatives and awareness created to 265 representatives.

Awarenes created to 325 members of different Community Based Organisations viz., SHGs, Youvaka sangha, Auto drivers, Meena, Child club members and other stake holders. Total 106 officers including Police, Grama Panchayat, Women and Child Welfare, School Teachers were attended in those training programmes. At District level DC, CEO, SP, State Commission for Child Right Protection members meeting and discussion were held.

3. Evaluation of S.P./T.S.P programme of Social Welfae Department:

Social Welfare Department, Government of Karnataka implemented selected programmes/schemes impact evaluation study taken up jointly by Public Affairs Centre (PES), Bengaluru and Spoorthy, Davanagere. This study was taken in 6 taluks of Chitradurga district viz., Chitradurga, Challakere, Molakalmoor, Holalkere, Hosadurga and Hiriyuru taluks. Intervied and information collected from 429 beneficiaries according to structured questanares as per below table.

Sl. No	Scheme	Breacu p of Sample	Service Provider							Target	Beneficiary						
			Total	CTA	MLK	Hos	Hir	CLK	Hol		CTA	MLK	Hos	Hir	CLK	Hol	Total
1	Land Purchase Scheme for SC/STs	SC-1, DGM 1,DO-2, ST-TDO-2	6	4	0	0	0	0	2	44	37	0	0	2	0	5	44

9	Agricultural Inputs and Quality Control	1DD,2TDO	3	0	1	2	0	0	0	50	0	10	40	0	0	0	50
Total			50	11	11	8	0	10	10	429	134	85	60	10	65	25	429

From this Evaluation, we found that people have lack of knowledge on the scheme and less awareness efforts were done. Some schemes not implemented properly. SC and ST people got some land ownership, these lands are not suitable for cultivation. These lands allotted 10 to 15 k.m. distances from the beneficiary home. At present not using these lands and not getting any benefits. Children got scholarship. Mini water tanks constructed mainly in several place and many more needs to be constructed. Some old tanks added in the list, found that list provided to us is not true and the assets not maintained properly. The implementing Officer not got training and the assets not transferred to concerned Grama Panchayath. Agriculture equipment distribution, generator set and farm pond are not given or constructed. The complete evaluation report consolidated and submitted to the Government.

4. Early Intervention & Early Education (EI&EE) to improve Child Growth:

Association of People with Disabilities (APD) support for this programme ended in the middle. EI&EE program is carried for 0-6 year children in Channagiri Taluka of Davangere District. Spoorthy continued this programme continued since 2016. The progresses of this continued project during 2021-22 are;

During last five years under this programme 25 children's were managed. Two experienced staff team are working in the project. The programme is coordinated through "Jeeva" center. With the support of Health Department and Grama panchayath 0-3 age group 10 children and 3-6 age group 15 children identified. Development and growth check list assessment and assistance extended and given therephy for the physical growth.

The children in critical condition cases referred to Davanagere and Bengaluru hospital for higher treatment. The team is taking care of 25 children. Each week change over exercise are conducted, apart from this activities demonstrated in 12 sub centers. 3-6 age group 12 children are now going to Anganawadi and 12 children were going to lower primary school. ID card given to 12 children and 25 children got Nirmayi card. U.D.ID card facilities availed by 20 children.

Four days residential trainings were organised for different stake holders like GP members, Anganawadi teachers, Asha karyakarte, SHGs, PHCs, VRWs, MRWs, RBSK etc., Children's Day and World Physically Challenged people's day celebrated at Jeeva Center. Health check up camps were organised and created awareness to public.

5. Biofuel Development in Davanagere district:

Spoorthy has been working with Karnataka State Bioenergy Development Board (KSBDDB), Bangalore as Lead NGO for the Davangere District for promotion of Bioenergy Development programme through community participation. Under this project motivated farmers, school children's and communitybased organisations.

On 5/06/2021 Environment day was celebrated at Narasagondanahalli near Davanagere. Plantation activities carried in forest area, banks of the lake. The programme jointly organised by Zilla Panchayat, Forest Department, Gram Panchayat and Spoorthy. Local laborers and farmers were involved. Awareness created to farmers about the uses, cultivation, conservation, environment and biofuels to the public. About 162 people participated in this programme. Chief Executive Officer Mr. Vijaya Manhantesh Dyanavar, ZP Deputy Secretary Sri Ananda, Deputy Conservator of Forest Sri Rajanna, Director of Spoorthy Sri K.B. Rupanayka, Zonal Forest Officers, Assistant Conservator of Forests, President, P.D.O., Panchyath Chairman, Forest Department officials participated.

On 10/08/2021 The World Biological Day was celebrated near Davanagere with the support of Zilla panchyath, Davanagere. Awareness programme organised farmers, school children and other public on the importance of biofuels. During the occasion 1500 biofuel sapplings planted in road side, school grounds and forest area.

275 farmers motivated for planting biofuel seedlings in their farm land under MGNREGS. Awareness created to 248 school children on biofuels through discussion, plantation and other activities.

Nine training programme organised for Farmers of the all 6 taluks of the district and the village laborers on the use and cultivation of biofuels, alternative fuels, conservation, reuse in the empty space of the common properties. In this training, 429 people participated. Farmers were sent Biofuel Research, Information and Demonstration Centre, KVK, Davanagere for technical trainings.

6. Awareness programme on Renewable Energy in Davanagere district:

Spoorthy organised awareness on Renewable Energy programme in Davanagere District with the support of Mahatma Gandhi Institute for rural Energy Development (MGIRD) Bengaluru.

Solid Waste Management and Implementation training: The training programme on Solid Waste Management was organised to Women representatives of Davanagere district SHG Federations. The training jointly organised by MGIRD, Z.P, Davanagere and Spoorthy organisations. 150 women representatives were participated in this 5 days residential training programme. In the closing function ZP, Deputy Secretary, J.D, Agriculture Department and Spoorthy organisation Officers were attended.

Organised Eight batch training programme on solidRenewable energy training programme was organised Belalgera School.

7. Identification of Common Resources, Protection and Development Activities :

Foundation for Ecological Security (FES) and Spoorthy, jointly working on development and identification of Common Resources in Davanagere district. The organisation taken survey and identified gomala land, C&D classification land, Grzing land, Waste land, Sendhivana etc., in 6 taluks of Davanaere district. Total 30,00 acre such land identified to take up activities unde the project.

A Success Story

Daginakatte Common Resources : Action by Local Committee

The Daginakatte is situated in Channagiri taluk of Davanagere district, This village is surrounded by 4 hills called as Gudda and deep slops due to depletion of the green coverage. A road is passing through the middle of the village to Yalodalla village.

Spoorthy organization working in this village since 15 years. Initially taken up rapport development and understanding their problems. Based on the requirement formed women Self Help Groups. Started income generation activities. Then identified landless and marginal community youths, formed Labours groups under MGNREGS. Motivatd them to access job under the act and strengthened institutional structure. Different interventions helped to get sustainable socio economic condition in the village.

About 1000 target family women and men labourers formed their own SHGs and Laborer groups. The credit facilities from the bank and government schemes obtained by the SHGs. Women and labourers got employment under MGNREGS. Spoorthy also helped them for savings, thrifts and credit activities, book keeping, repayment, finance management, leadership and exposure to other places build their confidence and ownership. Women successfully taken up dairy, sheep and goat rearing, petty business, agriculture and allied activities, tailoring, etc., Earlier Panchayat and corrupt system (elected representatives, contractors and as well officials) prevented laborers to access job and suppressed their voice, they are afraid to express or raise voice in the village. After group formation and empowerment process they got confidence and voice in the village. Overall our various intervention improved their economic conditions, stop migration to urban and for distance place in lean period and helped them to stay at native.

Summary: It is observed that water scarcity is not there comparing to the previous year. Plantation in the hill arresting runoff waters. Tanks dried from, several years is filled, The ground water table recharged well. Open well and bore wells recharged, several years it was completely dried. Drinking water availability also improved. People saying that they will get ground water at 300 to 400 feet depth, earlier it was 700 feet and above. cattle's getting enough water and fodder from common resources, tanks and gokatte. So the Common Resource Committee enlighten that Common Resources are the resources and development of the our village, and it "Our Resources and Village Resources.

As per Panchayath Raj Act 1993 section 58 (a) says that Grma Panchyath is responsible for registering its common resources, protection and development. Further the section 68 says to form sub committees by Grama Panchyath for the implementation of the above responsibilities. Accordingly Spoorthy done intervention for formation of "Grama Parisara Abhivruddhi Samiti" (Villae Environment Protection Comittee) in 111 villages. The training programme organised to sub committee members. Action plan prepared for the development of Common Reosureces under MGNREGS programme. Importently the asset registration under format No. 30 has taken up in all Grama panchyath. The process is first in kind in the State. Land

levelling, pitting, planting, watering and garding activities taken up under MGNREGS at Daginakate, Nelogal, Rudrapura, Hulikati etc., grama panchyath.

8. Programme on Peace and Harmony:

In today's system, there is outrage, violence, pain, violence, communal riots, unrest and peace in the people, and the society is moving in the direction against Buddha and Basavanna taught. With this context, during our meeting, training, gettogether, conference etc., given importance for **"Peace and Harmony"** the message of compassion, love, friendship and humanitarian kind works/actions. We are all the same human beings has been live together and continue with same spirit and harmony in the society. The kind of work has been taken in the organisation to plant the seed of feeling that we are human beings.

Celebration of protection of community resource day was organised on 29.10.2021 at Zillha Panchayat, Davanagere, Spoorthy and FES, Kolara jointly organised **"Peace and Harmony"** programme to spread the message. CEO of ZP attended as Chief Guest, ACF, Social Forest, Executive Officer, Taluka Panchyath, Davanagere Agriculture Officer and others participated in the event.

9. Strengthening SHGs and Economic Empowerment:

Spoorthy continued empowering SHGs and SHG Federations in Davanagere and Haveri districts. Facilitated to conduct regular meetings capacity building and linkage support extended. During the year, Spoorthy linked SHGs with different Banks and Financial Institutes, Rs.5.41 crore credit linkages availed by 98 SHGs.

As a result of timely financial support, SHG women are engaged in different types of income generating activities (IGAs). Overall support helped target family livelihood. Further developed self-esteem, confidence, trust, mutual respect respectable life in the family and as well in the village.

10. Water harvesting structure and Natural regenerations:

Landless Labourer, Women, Physically Challenged/abled persons, widows etc., are organised as labour group. Total 4670 members in Davanagere and Gadag district continued and getting 100 days job at locally. Small and medium tanks repair, desilting, canal works, are taken in common land. About 2.50 lakhs seedlings planted on common lands and farmers land. Water filled in all tanks and canals, ground water recharged, animals and birds getting water, green coverage improved lot and fodder also available to cattle. This helped marginal community to take up animal husbandry and agriculture activities with successful and improved their economic

11. Strengthening Groups and Network at Different Level.

MGNREGS labour group strengthened and developed linkages at Village, Taluka, District and State forum. They are accessing their right to work as per the law. They also restored transparency in the implementation of the programme. They

also actively participated and expressed their views in planning and execution of the MGNREGS programme with the implementing authorities.

13. Mahila Santwana Kendra at Honnali :

Mahila Santwana Kendra have been continued at Honnali with the support of Women and Child Welfare Department, Government of Karnataka. The purpose of this programme is that Women who are victims of various atrocities such as Dowry, rape, sexual harassment, domestic violence etc, are subjected to physical and mental torture besides having to face social financial problems. With a view to console these women and rehabilitate them, the scheme of “Santwana” was launched. The Spoorthy is the partner along with the Government of Karnataka for the implementation of the programme in Honnali.

The Center is having 4 experienced staff, it works 7daysx24 hours for the protection, secure and homes atmosphere for the rehabilitated women.

Spoorthy is created awareness on Santwana in its SHGs and federation meeting. The center is having helpline No.1091 shared to all SHGs and its federation members. Awareness programme organised to SHG women, Artisan family, anganawadi Karyakarte and Asha Karyakarte.

During the year 28 cases were registered at Santawana Kendra. These cases are classified as 22 cases on domestic violence, 2 cases on property disputes, 1 dowry harassment, 1 on harassment from neighbours. Counselling done in each case to find solutions and justice. Among 21 cases resolved at Santwana Kendra. Two cases on domestic violence filed case at Police Station and transferred. 2 cases transferred to CDPO and addressed all the cases with care. Following welfare activities organised with the support of other civil societies;

14. Covid-19 Vaccination camp:

1. **Covid Vaccination camp** was organised in Davanagere and Chitradurga district along with Health and Family Welfare Department, and Bharatiya Jain Sanghatane (Jain Association of India), during April 21-March 22. Vaccination drive organised at village and grama panchayath level for the age group of 18 and above. Vaccination awareness programme organised with the support of Apollo Hospital and taken Ambulance for awareness programme. Total 8654 members received 1st and 2nd dose and some were taken booster dose also.
2. **Covid Vaccination camp** physically challenged people: the vaccination camp specially organised for physically challenged persons of all six taluks, Davanagere with the support of D.N.A. Disable Alliance Network, Bengaluru. Awareness, counselling and escort to vaccination service center

was organised. Involved different stake holders like VRW, URW, Health Workers, Asha karyakarte and Grama Panchyath members to cover all target people to get vaccination. Through this vaccination drive covered 24875 physically challenged and their care takers. Further In this process involved VRW, URW, Health Workers, Asha karyakarte and Grama Panchyath members. PP Kit, testing kit, mask, hand gloves and sanitiser distributed to VRW, URW, Health Workers and Asha workers with support of FES.

- 3. Vaccination camp organised with the support of Center for Ecological Security (FES) :** Special vaccination drive organised in all six taluks of Davanagere district with giving special focus on Physically challenged, widow, single women, family affected from Covid etc., These people really suffered without job, no medicines, lack of safe water and food. Identified most vulnerable family and distributed 650 food kits to each family.

15. Skill training to Physically challenged Person's:

Computer skill development training programme organised to Physically challenged youths of Davanagere district with the support of Enable India. 30 members one batch training is on. After this training Spoorthy will facilitate to make them service provider, self earning from business home setup.

16. Vocational Training to School Dropout Youths:

The above project was continued with the support of Functional Vocational Training and Research Society (FVTRS) Bangalore. During the year 125 School dropout youths have been trained in batch on Fashion designing, Knitting, Embroidery, Security Guard, Chef and Bakery, Salesman and Receptionist. Successfully skill trainees are getting decent job, service provider and started self employment and each one is earning 7500 to Rs.12, 500/p.m.

Conclusion:

Over all, the year 2021-22 was a very productive and busy with diversified activities and innovative. We are thankful to all members of General Body, Executive Committee, Volunteers, target group and staff for their invaluable contribution, involvement and participation. We are also thankful to donor agencies- FVTRS, Bangalore; Ministry of Home Affairs, KPFLR, CIF, Mumbai, PAC, Bengaluru, KSBDB, Bengaluru, MGIRED, Bengaluru, FES, Gujarat, Enable India, Bengaluru, District Administration-Davanagere, Haveri, Gadag and Chitradurga; Department of Women and Child Development ; Karnataka NABFIN, Bangalore; ICICI, Sangha Mitra, Government of Karnataka and Government of India. We are looking forward to your continued support and involvement in the upcoming year 2022-23.

K.B. Roopa Naik, Secretary

Disha Center,

Annual Progress Report for the year 2021-22

Disha Center continued and carried different types of programme and activities successfully for the target children during the year 2021- in Davanagere district, Karnataka with the support of National Trust, Government of India, New Delhi. Every day the therapy conducted to needy children's under the advice of medical Doctors, organized health check up camps, trainings to the parents, , approaching stake holders, facilitated to parents to access facilities and service provided by government under the different schemes and programmes. The Disha center is equipped well trained and experienced staff, they are all dedicated to service for the welfare of the target children to mainstreaming. The following strategies and work adopted to reach objectives and goals of the programme.

- a) The Disha Center is established and runned as per the guidelines of National Trust. The Center functioned 21 days in a month from 10-00 am to 4.00 pm. Below 10 year age children's were admitted and service provided.
- b) Following types of activities were conducted (as per the last year and according to the guidelines of the National Trust))at the center for the physical and mental growth of the child-
 - Every day, the staff of the Center approached and assisted parents are not able and have difficulties and facilitated vehicle to bring their children to center. Extra care taken for the children particularly the parents to bring the children to the center. The children were brought to the center by perusing and motivated parents and as well children for the regular presence in the center. Due to our different interventions a total of 22 to 25 children attended regularly in the center.
 - Different types of activities for different types of children conducted based on the age factor, physical status, understanding their interest

and circumstances. Divided children group according to the physical status and mental ability.

- Following types of activities were conducted and managed at the center for the physical and mental growth of the child-
 - ❖ Child sitting activities (Sting Activity)
 - ❖ Walking activities.
 - ❖ Feeding activities.
 - ❖ An activity to introduce children to cleanliness and exposure to outdoor environment
 - ❖ Speech Thereby (make them understand speaking and sign/signal language activity).
- Activities are done to supplement the child's learning abilities in many ways like color, taste, shape and introducing surrounding objects.
- Organized following Celebrations in the Center.
 - ❖ New year Celebration
 - ❖ Children Birth Day
 - ❖ Celebration of International Day of Disabled Persons
 - ❖ Celebration of Independence Day.
 - ❖ Krishna Janmastami
 - ❖ Sports
- Provided information to parents to register their children at Anganwadi and further discussed with the Deputy Director of District Women and Child Development Department about registration of children.
- Regularly at once in a month 1 or 2 day Poshak Sabha/Parental Trainings cum meetings were organized to parents of children. During these interventions the parents discussed about the problems arising in the care of children, the following problems were listed and discussed together to take forward and find appropriate solutions.
 - ❖ Child health check-up and Certificate from the doctor.
 - ❖ Getting Certificate on Percentage of Child's Handicapped.

- ❖ Aadhaar Card Identification Verification system (Child's Hand & Foot scanning Identification)
- ❖ Registration for Nirmaya Card.
- Two Health check up camp first one was in May 2021 and second one was November 2021 conducted in the year also. Doctor from R.B.S.K and Therapist did some therapy and provided medicines in the camp. Previous year also Health Check up camp for the children were conducted in the same schedule.
- The Doctor did some therapy activities experimentally to make the parents feel better for the child, and the parents were also strengthened mental strength.
- Children's Day was celebrated with the Child Helpline team. Discussions were held with the District Collector about the requirement of the children and the facilities of government schemes needs to be delivered to needy children/parents.

Overall the Center is providing useful service to target children and education to parents. The parents are very happy about the center and sending their children with happiness. The meeting arranged with Deputy Commissioner positive impacted on children and as well to the parents and also brought inspiration to go forward.

- Krishna, Coordinator, Disha Center, Spoorthy Organisation, Davanagere.
