Late Ganpatrao Gatade Residential and Non-Resident Intellectually Disabled School
Dam Affected Colony, Kagal, Kolhapur District
Annual Report for the Year 2023-24

**Enthusiastic Performance by Students at Shivaji University on World
Disability Day**

Kolhapur: As part of the World Disability Day celebrations, a cultural program was organized by the Inclusive Education Resource Center at Shivaji University, Kolhapur. Students from the Late Ganpatrao Gatade Residential and Non-Residential School for the Intellectually Disabled delivered an outstanding dance performance, winning the hearts of the audience.

The program was graced by Shivaji University's Pro-Vice Chancellor Prof. Dr. P. S. Patil, Coordinator Dr. Pratibha Desai, and other dignitaries. The audience applauded the 'Sasa Re Sasa' performance by the junior group and the 'Deva Shree Ganesha' dance by the senior group.

The students' successful presentation was guided by Mr. Praveen Morbale and Mr. Akshay Nikam.

The event's successful organization was made possible by the contributions and encouragement of Principal Anil Patil, Ms. Anuradha Chavan, Ms. Trupti Gaikwad, Mr. Nitin Kamble, Mr. Krushnat Dhangar, Mr. Sharad Patil, Mr. Vijay Kadam, and other teaching and non-teaching staff members.

This cultural program provided a platform to showcase the talents of students with disabilities, spreading a positive message to society.

Makar Sankranti Celebrated with Enthusiasm at the Intellectual Disability School in Kagal

Kagal (Dist. Kolhapur): Makar Sankranti, considered the first and joyous festival of the New Year, was celebrated with great enthusiasm at the Late Ganpatrao Gatade Residential and Non-Residential School for the Intellectually Disabled in Kagal.

All the teachers, non-teaching staff, and students of the school, along with residents of the campus, came together to exchange the message of "Take tilgul and speak sweetly." The festival was marked by the traditional distribution of tilgul (sesame and jaggery sweets), promoting harmony and camaraderie.

On this occasion, the students presented programs highlighting the traditions and significance of Makar Sankranti. The celebration created an atmosphere of joy in the school and the campus. Teachers explained to the students how this festival fosters love, affection, and social bonds among people.

The collective efforts of everyone in the school made the celebration a grand success, spreading the message of unity and togetherness in society.

Guru Purnima Celebrated with Enthusiasm at the Intellectual Disability School in Kagal

Kagal: The festival of Guru Purnima was celebrated with great enthusiasm at the Late Ganpatrao Gatade Residential and Non-Residential School for the Intellectually Disabled in Kagal.

The program began with the worship of Goddess Saraswati's photo, performed by doctors and their team from the Rural Hospital. On this occasion, Assistant Special Teacher Mrs. Herwade explained the significance of Guru Purnima to the students.

The event saw active participation from all teachers, non-teaching staff, students, and the principal of the school.

This celebration strengthened the bond of respect and affection between teachers and students. The enthusiastic involvement of everyone made the program a success.

Kagal Becomes Devotional with the Chants of Vitthal, Rukmini, Dnyaneshwar, and Tukaram

The Warkari Dindi organized by Doodhganga Vidyalaya (Dam-Displaced Colony, Kagal) on the occasion of Ashadhi Ekadashi stood as a symbol of religious unity.

Kagal (The Fire – Correspondent): The students of Doodhganga Vidyalaya, located in the dam-displaced colony of Kagal, organized a grand Warkari Dindi on Ashadhi Ekadashi. This tradition, continuing for 17 years, is one of the largest school-based Warkari processions in Kolhapur district. The procession included participants ranging from young children to senior citizens, with people from various communities joining with joy and enthusiasm. Distinguished citizens and locals also actively participated in this sacred event, with parents placing their infants in front of the palanquin to receive blessings.

Traditional Attire and Performances:

Students dressed in traditional Warkari attire participated in the Dindi, performing dances to devotional songs praising Lord Vitthal. The event also featured live displays, creative costumes, and awareness messages on topics like social reform and addiction-free living, presented by students of Doodhganga Vidyalaya, Swami Samarth Vidyalaya, Late Ganpatrao Gatade Residential and Non-Residential School, and Shri Ramling Balvikas Mandir. These presentations became the highlight of the event.

Ceremonial Beginning:

The procession was inaugurated by Amey Joshi, trustee of Kagal Taluka Art, Sports, Education, and Cultural Board, along with distinguished citizens like Anandrao Patil, Gautam Gadekar, the school's principal Ashok Bugade, and others.

Devotional Music Groups:

The event saw the participation of several Bhajan Mandals, including Datt Bhajan Mandal (Dawane Galli), Hanuman Bhajan Mandal (Shahunagar), and Ramling Bhajan Mandal (Kalamawadi Colony, Kagal), who mesmerized everyone with their melodious devotional singing.

Community Participation and Cleanliness Initiative:

The students were provided refreshments such as Rajgira ladoos, bananas, milk, and water by various social organizations, parents, alumni, and other supporters. At the end of the procession, many students collected litter and ensured cleanliness, a gesture highly appreciated by the residents of Kagal.

Meticulous Organization:

The event was meticulously planned under the guidance of Principal Ashok Bugade and all teaching and non-teaching staff of the school.

With chants of "Vitthal Rukmini, Namdev Tukaram," the Ashadhi Ekadashi procession by students and teachers from Doodhganga Vidyalaya, Swami Samarth Vidyalaya, Late Ganpatrao Gatade School, and Shri Ramling Balwadi, along with the founder Atul Joshi, trustees, devotional music groups, and local residents, created a deeply spiritual and devotional atmosphere in Kagal.

The ceremony of worshipping the palanquin, sprinkling water on devotees' feet, and placing infants in front of the palanquin for blessings elevated the sanctity of the Dindi. People from all communities participated in this vibrant and unifying event, seeking blessings from Lord Vitthal amidst devotional fervor.

World Disability Day Celebrated in Kagal with Enthusiasm, Awareness Rally Spreads a Message of Inclusion

Kagal, December 3, 2024:

On the occasion of World Disability Day, a special program was organized at the Late Ganpatrao Gatade Residential and Non-Residential School for the Intellectually Disabled, Kagal. As part of the event, a disability awareness rally was conducted to spread awareness about the rights and capabilities of persons with disabilities.

The program began with the worship of a portrait of Helen Keller, the inspirational figure for persons with disabilities, followed by the lighting of the ceremonial lamp. The ceremony was inaugurated by PSI Shri Gajendra Lohar of Kagal Police Station, Shri Omkar Bajage, Establishment Officer of Kagal Municipal Council, Trustee Amey Joshi, the school's principal, and other dignitaries.

Following the inauguration, the dignitaries flagged off the disability awareness rally, which passed through the nearby residential area. The rally saw enthusiastic participation from students with disabilities, teachers, non-teaching staff, and local residents.

The rally focused on raising awareness about the rights of persons with disabilities, their abilities, and their active role in society. Students participated with great enthusiasm, adding to the significance of the event.

With the support of Trustee Amey Joshi and the entire school team, the program was a resounding success. The awareness rally helped convey a positive and inclusive message to the community.

23rd Anniversary of Late Ganpatrao Gatade Intellectual Disability School Celebrated with Enthusiasm

Kagal, January 10, 2025:

The 23rd Anniversary and Annual Prize Distribution Ceremony of the Late Ganpatrao Gatade Residential and Non-Residential Intellectual Disability School (Damaged Settlement), Kagal was celebrated with great enthusiasm and in a joyful atmosphere.

The chief guests for the event were Dr. Tripti Bhosale (Child Neurologist) and Dr. Anand Bhosale (Physician and Psychologist), with the program being presided over by the institution's director, Mr. Amey Joshi. The event saw the active participation of the school's principal, teachers, non-teaching staff, and a large number of parents.

In the first session, Dr. Tripti Bhosale provided special guidance for the parents. She gave a detailed explanation about preventive measures to avoid the birth of children with disabilities, early diagnosis, and treatment. She also offered valuable advice on how parents should deal with the situation if their child is born with a disability.

In the second session, Dr. Anand Bhosale conducted various interactive activities with the parents. He guided them on how to lead a stress-free, positive, and happy life, providing immense confidence and inspiration to the parents.

During the ceremony, awards were presented to students who had performed exceptionally well in various competitions. The cultural performances by the students captivated the audience and left them mesmerized.

The success of the program was made possible by the dedicated efforts of the school's teachers and staff. Parents expressed their satisfaction with the event and praised the institution's work.

Parent Meeting Held at Ganpatrao Gatade Intellectual Disability School, Kagal

Date: Thursday, September 5, 2024

A Parent Meeting was held today at the Late Ganpatrao Gatade Residential and Non-Residential Intellectual Disability School, Kagal. The event was attended by the chief guest Mrs. Sonal Raut, a representative from Navi Disha, the program's chairperson and the institution's trustee Mr. Amey Joshi, speech therapy expert Mrs. Shubhangi, the school's principal, all teachers, non-teaching staff, and parents.

The meeting commenced with Mrs. Sonal Raut from Navi Disha, who guided the parents on various issues related to individuals with disabilities. She discussed how UDID (Unique Disability ID) cards and certificates can be made available for the disabled and explained about the Niramaya Scheme.

In the presidential address, Mr. Amey Joshi spoke about the safety of children with disabilities. He explained how the District Disability Rehabilitation Center can collaborate and assist in providing support for people with disabilities. He also emphasized the importance of ensuring that sexual exploitation of children, both boys and girls, does not occur. Mr. Joshi offered guidance on the necessary precautions and measures that parents, teachers, staff, and other members of society should adopt.

Finally, Dr. Atish Nipnikar, a psychologist, provided valuable guidance on good touch, bad touch, relationships, and how to maintain healthy boundaries.

The event concluded with Mr. Praveen Morbale expressing gratitude, and the program came to a close.

ACTIVITY REPORT - 2023-24

District Disabled Rehabilitation Centre, Kolhapur.

Ministry of Social Justice and Empowerment, Department of Empowerment of Persons with Disabilities, Government of India.

Implementation Agent

Kagal Taluka Art Sports Educational and Cultural Board Kagal. h Kagal District-Kolhapur.

Venue : Administrative Building Near DSP Office

Kasba Bawda Road Karveer, District - Kolhapur.

Background:

The District Disability Rehabilitation Center (DDRC) scheme is implemented at the district level through the Ministry of Social Justice and Empowerment, Department of Empowerment of Persons with Disabilities, Central Government, Government of India, New Delhi. The work of coordinating this scheme is done by the state government. There are 325 DDRCs operational across the country and 17 DDRCs in Maharashtra. For this, a registered organization working in the field of disability is an eligible organization to implement the scheme. A separate registration certificate is issued for the District Disabled Rehabilitation Center through the Office of the Disabled Welfare Commissioner. A District Management Committee (DMT) is formed at the government level to implement the scheme successfully. In DMT Hon. The Collector is the chairman, the district level heads of all departments, DDRC scheme implementers, registered organizations working in the field of disability and District Disability Rehabilitation Officer (DDRO) act as members.

Introductory:

Since last 20 years Kagal Taluka Art Sports Educational and Cultural Board Kagal District - Kagal Dist. Kolhapur operated Self Ganpatrao Gatade Intellectually Disabled Residential Non-Residential School, Kagal is implementing various activities in the field of disability.

(1) Special Education, (2) Medical Examination Camp and Treatment, (3) Surgical Examination Camp and Surgery, (4) Physiotherapy, (5) Occupational Therapy, (6) Reading Therapy and Hearing Therapy. (Speech and Audiology), (7) Parental Counseling, (8) IQ testing, (9) Getting free health insurance, helping with claims, (10) Getting Legal Guardianship (11) Training of parents, special teachers and village servants, (12) Vocational training and skill development of disabled persons, (14) Running of day-care centers,

(15) Early detection and treatment (16) Residential Vocational Training Center for Mentally Handicapped above 18 years, (17) Collection of detailed information of the Handicapped (18) Encouraging and training the Handicapped to participate in sports, art and drama competitions, (19) Creating public awareness (20) Pursuing barrier-free public premises in schools, colleges, government offices, (21) Providing training to those involved in the field of disability, organizing workshops for them (22) Disability To increase public awareness in order to increase participation in voting, follow up to create barrier-free polling stations, (23) awarding outstanding work to persons with disabilities and organizations and individuals who are doing excellent work in the field of disabilities.

Kagal Taluka Art Sports Educational and Cultural Board Kagal was appointed as the implementation agent for District Divyang Rehabilitation Center Kolhapur in 2023 considering the role of providing service and justice to disabled people. Our organization accepted the responsibility of working with the government system and giving direction in the field of disability. A local management committee has been formed under our organization to ensure that the disabled get services smoothly and all government, semi-government and private schemes can be implemented in a proper manner as well as the direct beneficiaries benefit from it. This committee is composed of Chairman, Executive and Members. Project Hon. The President acts as the chairman of this committee. Weekly and steering committee meetings review detailed service work and plan for further planning.

Objectives of District Disability Rehabilitation Centre:

The central government has prepared the plan of the District Disability Rehabilitation Center for the following purposes:- Early Intervention and Treatment, Occupational Therapy, Physiotherapy, Speech and Audiology, Counseling & IQ Testing, Orthosis & Prosthesis, Medical, Surgical Examination and organizing camps, organizing camps for getting assistive devices and those disabled Achieving Individuals (ALIMCO), promoting the creation of a barrier-free environment by implementing Sugamya Bharat Abhiyan,

Routine Activities: Getting healthy health insurance, assistance and follow-up in claiming, Legal Guardianship, Universal (UDID) Card, Awareness Programme, Contacting and informing them about various schemes and making efforts to avail them, survey

The objectives are to conduct survey, skill development and vocational training, employment generation, implementation of seed capital scheme, help in natural calamities etc.

Kagal Taluka Art Sports Educational and Cultural Board Kagal, h u Kagal Distt. Kolhapur Operated District Divyang Rehabilitation Centre, Kolhapur The work vision of the initiative under the heading Routine and Occasional Activities is briefly presented as follows:

1. therapy

Physical therapy (Physiotherapy), Occupational therapy (Speech and Audiology), Testing of hearing ability through audiometer, Counseling & IQ Testing, Orthosis & Prosthesis These services are provided regularly. Specialist therapists in the above disciplines serve at the center.

If the disabled person belongs to economically weaker section then the transport and service charges are free. The rationale behind this is that care is taken at the center that no disabled person is left behind as there is no charge

2. UDID card:

Unique Disability Identity Card (UDID) for Persons with Disabilities is a universal card project to create a national database for PWDs and issue a unique disability identity card to each person with disabilities. approach is being implemented. The project will not only promote transparency, efficiency and ease of delivery of government benefits to persons with disabilities, but also uniformity. This card will help in tracking the physical and financial progress of the beneficiaries at all levels. Dist. d. Pu. For the successful implementation of the UDID card in the center, the disabled are contacted and made aware, the documents required for the card are taken, scanned and uploaded on the provided website and the receipt is given to the disabled. The receipt is given to the disabled by uploading it on the website <https://www.swavlambancard.gov.in>. The application is tracked on the website and its status is informed to the beneficiaries, also the difficulties encountered in implementing the scheme are raised in the meeting of DMT and remedial measures are planned. This form is filled in DDRC free of charge and for filling this form in private place usually Rs. A fee of Rs.200-300/- is charged.

3.. Niramay Arogya Yojana:

National Trust, Department of Empowerment of Disabled Persons, Ministry of Social Justice and Empowerment, New Delhi runs Niramaya health insurance scheme for mentally challenged persons. The nature of this scheme is that claims can be made for medical, surgical, therapy, dental, outpatient check-up, blood test, medicine, transport. Sensade Project being a registered organization of National Trust is expanding the implementation of this scheme through District Disability Rehabilitation Centre. In order to get the maximum benefit of this scheme to the disabled people, the project uses the reserved 5% government fund for the premium disabled people. It is followed up by DDRC. Sensdha is the leading organization implementing Niramay Yojana in Maharashtra. Out of 2,700 Niramay cards, 700 Niramay cards have been drawn by Sensdha Project. Free service of Niramaya card application, payment of premium, card arrival check, notification of arrival card to beneficiary, removal of copy and softcopy of same to mobile and assistance to beneficiary to make claim and follow up till settlement, clearing errors District Divyang Rehabilitation It is given through the center. Training on Niramay Card is provided to the organizations registered under National Trust through Sensita Project SNAC (State Nodal Agency Center) and DDRC.

4. Legal guardianship:

National Trust, Department of Empowerment of Persons with Disabilities, Ministry of Social Justice and Empowerment, New Delhi has a legal guardianship scheme for persons with intellectual disabilities. Under that scheme, District Disability Rehabilitation Centre, Kolhapur, from the interested parents, copies of original documents and application forms are filled in the prescribed format. Institution representatives, police officers, representatives of social welfare department visit the home of the applicant who has been given preliminary approval. In this, the information of the applicant and the disabled is taken. After submission of home visit report approval is done through institution login on online portal. After that application Hon. Goes to the login of Collector. A certificate is generated from their login. Certificate with Report Hon. It is uploaded with the signature of Collector, Institutional Representative and District Social Welfare Officer. Legal guardianship services of Kolhapur districts are provided through the project.

5. Parent Training Workshop:

Training workshops are organized 2 times a year for parents of disabled children from economically weaker sections of rural areas. Training mainly physical, occupational therapy therapy

They are also given medical examination and treatment, parents are counselled. Disabled children. Q is drawn, information about government schemes is given. Efforts are made to take advantage of it. Niramay and UDID card is removed. All these services, therapy and training are free to them.

6. Competitive Examination Guidance:

Students from economically weaker sections of rural and urban areas, mainly cerebral palsy, deaf, blind, physically challenged students have reservation for various government posts, but due to economic weakness, they cannot get admission in teaching classes. Therefore, as they do not get proper guidance, disabled students are deprived of government jobs. Considering this, d. Pu. Free competitive exam guidance is provided by expert trainers and various government officials through the centre. In the future, the project intends to start a competitive examination guidance center and study center for the differently abled.

7. Contact parents to follow up on therapy and plans.

8. Registering disabled persons and preparing their updated list.

9. Independent ration card should be given to the disabled and follow up to get the benefit admissible on the ration card accordingly.

10. 5% of the fund reserved for the disabled to try to spend this fund for various welfare schemes of the disabled.

11. Pursuing provision of 5% Gharkul under Gharkul Yojana to the disabled belonging to Scheduled Castes and Tribes category.

12. Registering unemployed persons with disabilities, providing information to persons with disabilities regarding employment and self-employment opportunities.

13. Efforts are being made to provide loans from banks to the disabled under various schemes.

14. Helping to create self-help groups of the disabled.

15. Pursue to organize medical camp for disabled at least twice a year.

16. People with intellectual disabilities have a higher incidence of epilepsy and their monthly cost of medication is usually Rs. 2000-2500/- becomes. Hence follow up to get medicines from district surgery and other donors.

17. To create awareness about cochlear implant, to take measures for it.

18. Planning for corneal blindness surgery.

19. Pursuing that every school, college, government building, public premises should be barrier free for disabled persons.

20. Pursue to organize awareness camp for district officers, employees, gram sevaks, anganwadi supervisors, ASHA workers etc.

21. To create awareness about the disabled in the society by creating awareness towards them, raising their problems, calling for solutions, making efforts to accommodate the disabled according to the inclusive principle and providing them with the benefits of various schemes, providing them with employment, so that they can live a self-reliant life.

The end of the day

1. ALIMCO CAMP

In association with Ministry of Social Justice and Empowerment, Government of India, Artificial Limb Manufacturing Corporation of India (ALIMCO) District Administration, Kolhapur, District Divyang Rehabilitation Centre, Social Welfare Department, Zilla Parishad, Kolhapur, taluk wise camps will be organized for getting artificial limbs, assistive devices for the disabled.

2. Celebrating a special day

E.g. To create awareness on National Cerebral Palsy Day, Ashtavakra Jayanti, 3rd December World Disability Day, World Autism Day, Down Syndrome Day, Women's Day, Hearing Day, Blind Day, etc. Distributing educational materials, providing rations, organizing guidance programs, conducting cultural programs, organizing competitions for the disabled, awarding prizes to the winners of the disabled to encourage them. These days are celebrated by carrying out various activities like distribution.

3. Calling dignitaries from various fields on Independence and Republic Day, informing them about the activities under the project and creating public awareness about the disabled.

4. To create public awareness by giving information about the government schemes regarding the disabled in intellectual classes, workshops, regular rehabilitation training classes, parent training held within the organization.

5. To felicitate the successful persons with disabilities in the competitive examination and the persons with disabilities who have been announced with

6. To provide training to the employees of all departments related to the disabled in various institutions and administration in the district

7. Conducting Voting Awareness Campaign: Conducting special voting awareness campaign to increase the participation of disabled people in voting, contacting disabled people, obtaining voting cards, renewing them, providing transportation facilities to and from the polling station and giving useful information to manage barrier-free polling booths.

8. Organizing blood donation camp.

UDID cards of persons with disabilities who are returned to CPR Kolhapur due to wrong address or change of house Information on distribution and schemes of UDID cards and supporting materials

Venue : Administrative Building Near DSP Office

Date : 11/09/2023.

Kasba Bawda Road Karveer, District - Kolhapur.

Time: Monday at 11 am.

Today is Monday, 11.09.2023 at 11 AM at District Divyang Rehabilitation Center Kolhapur in an atmosphere of great enthusiasm distribution of UDID cards and supporting materials and information about schemes of UDID cards of disabled persons who return to CPR Kolhapur due to wrong address or change of house was completed.

Chief guest of this program Dr. Anand Bhosale (Psychologist) was. Sawant, Azar Momin, Mayuri Chaugale and Pradeep Ulpe Were present at Priyadarshan of the District Disability Rehabilitation Centre.

The program was introduced by Priyadarshini Sawant. Successfully implemented this activity of UDID and distribution of supporting materials. District Disability Rehabilitation Center is distributing UDID cards in Kolhapur district by contacting UDID card holders who return to CPR due to wrong address or change of house. DDRC looked into this issue in the month of August and distributed UDID cards to 35 people today. For those to whom we have distributed UDID card through DDRC, this card will be useful for getting government benefits, education, employment and some for getting assistive devices. He said that the initiative of distribution of UDID by District Disabled Rehabilitation Center is beneficial to the disabled.

Distribution of these materials to the needy beneficiaries. Conducted by Anand Bhosle (Psychologist). The disabled brothers and sisters present expressed their satisfaction about this activity. This card will be used to get bus facilities in Divyang Manogata. While some of the disabled were staying away from getting support materials, they expressed the feeling that they can benefit from the schemes. Some PwDs said that I had taken the card last year but had not received it yet and I was waiting for it. Thanks to DDRC I was able to get this card. Expressed happiness and satisfaction for the early and free provision of supporting material. The disabled brothers thanked all the employees of DDRC.

This activity was inspired by the founder secretary of the organization Mr. Atul Joshi Saheb and the director of DDRC Shri. Amey Joshi sir guided. Thank you to all those present Mr. Pratap Ulpe presided over the program while Mayuri Chougale moderated the program.
