An Introduction

DVMS Sansthan is a Non Govt. Voluntary Organization working in All District of Rajasthan since last Twenty Eight years; DVMS ensure active participation of local communities at all the stage of project management planning, implementation and monitoring of activities.

Organization is committed to reduced social and economic inequality in the community members through mobilization and capacity building of the stockholders organizations core development programme is natural resource management programme, Disability, child education, women empowerment, health and education, livelihood promotion.

The main objective of the Sansthan is development of the general people and all of the poor villagers. Through our experience we have develop a firm belief that people have the power to think about self, understand, and take action on the problems of their areas and out of areas. Sansthan is trying since last ten years to make equality all of the rural person in all of areas e.g. - socio-economic equality in all of the people, education equality in all of the people. Equality of Rights.

Mission

Alleviating rural poverty by promoting and working through voluntary organizations; with a focus on enabling the marginalized and weaker section of society to participate in the process of rural development by strengthening their resource base and capabilities through improved knowledge and skills, both in the technical and socio-economic development areas. The main mission of our programme is motivate all of the rural people and involve them in all of the programme which organize by the Sansthan, so that they have capable to promote their lifestyle and move with the time of 22st century on path of progressing areas.

Vision

Work with the enable poor rural people - `including child, youth, women, men, farmer Delit, tribal people to Developing their livelihood, an make the capacity building all of the knowledge less people, and skill in areas which effect their standards directly. Make the solid strategies with all of the society to give them benefit all of the schemes, which play by the Government and Non Government Organization.
