TREASURER's REPORT

I present the Treasurer's Report for the year 2019-20.

As in the past, SPASTN had during the year, continued its activities to fulfill its noble objectives despite the numerous challenges being faced. This had been made possible mainly thanks to the generous support received from philanthropists during the year. We have completed one more year of fulfilling our commitments to the society-at-large and the various donors and we are resolved to face the year in running (i.e. the year 2020-21) and meeting the challenges in the manner SPASTN is used to.

As stated in the previous years' reports, the Government of India in the Ministry of Social Justice and Empowerment has been supporting and funding our Society to the extent of 90% of its expenditure. However, as a matter of policy, the Government has been gradually reducing the grant support which covers around 15% of our total expenditure. There were also delays which meant we had to find finances to meet those exigencies in the interim which had brought enormous pressure on the functioning of SPASTN. It should be noted that SPASTN had not received any amounts from the Government and yet managed to keep up the good work without any diminution in the services it has been providing in the past.

However, one should be realistic and considering these circumstances, it is inevitable that SPASTN will have to explore alternative avenues for funding its activities in future.

During the year 2019-20, institutions and individuals had donated various sums of money as detailed below:

Name of Donor	Amount in Rs.	Purpose
His Excellency Thiru Banwarilal Purohit, Governor of Tamil Nadu	6,08,504	Purchase of Uniforms, School Bags, Furnitures, Pedestal Fans
Cool Cream Milano Private Limited	45,50,000	Donation
World Bank	9,99,381 [Non FCRA] 7,06,192 [FCRA]	Donation
Rajsriya Charitable Trust	5,00,000	TEACH R&D
Mrs.Umayal Palaniappan	3,50,001	TEACH R&D
Nariandas Morbai Budhrani Trust	2,50,000	TEACH R&D
Mr.G.Sundar	1,50,000	Donation
Ms.V.Saraswathi	1,66,819	Donation
Blue Star Limited	1,00,000	Donation
Elegant Constructions	1,00,000	Donation
Ms.Padma Ragunathan	50,000	Donation
Ms. Doodla Parthasarathy Reddy and Lalithamma Trust	25,000	Donation
Mr.Nagarajan Bhuvaneshwari	20,000	Donation

Other projects

Name of donor	Amount in Rs.	Purpose
SRTC – Early Intervention	3,96,000	Early Intervention
Tech Mahindra Project	9,28,520	IPS A+

Pushpam Enterprises Ltd	5,000/- per month	Donation
Accent Logistics	5,000/- per month	Donation
CISCO Systems [India] Private Ltd		Donation

Challenges facing SPASTN in the current year

While presenting the Treasurer's Report for the year 2019-20, SPASTN noted that the points of concern mentioned last still are matters of concern. It is disappointing to note that there has been no improvement in the fiscal environment SPASTN has been operating in and if anything there is only a worsening of these conditions.

These are listed again for the attention of the members.

1. The economy which was in a downswing and just as it began to improve, was hit hard by the COVID-19 pandemic. It is not necessary to go into the details since everyone is aware of the extraordinary hardships the country has gone through. One hopes that the worst is behind us and things can only go up from this point onwards...
2. Interest rates have come down substantially resulting in lower income by way of interest on our deposits with financial institutions. We earn a lot less than what we did in the past.
3. Expenses are as usual going up constantly with mobilisation of resources always playing a catch-up in order to continue with the activities and services that SPASTN had been rendering to the Society-at-large.
4. Support from the Government is diminishing.
5. There are many worthy causes that other charities are championing in different segments of our lives. There is more competition from organizations for the funds that are available with donors.

Given that these are circumstances over which we have no control, the only way we can maintain our ability to continue as an institution which is capable of delivering quality service in our chosen avenues is by increasing our resources. Of all the avenues, the most preferable solution, in order to be reasonably self-sufficient we need to mobilize sufficient resources which would earn us income by way of earning of

interest. This would help SPASTN continue to function without facing a resource constraint and would free us from diverting our attention to mobilizing resources which is occupying a high degree of time. The silver lining is that, one must acknowledge that globally awareness is spreading and wealthy nations are looking at outlets for philanthropic activities. It would be our endeavour to spread the message of SPASTN not only nationally but also internationally so that potential donors will recognize the noble work being done by SPASTN and will come forward with generous contributions. For this SPASTN needs assistance from everyone.

Grateful Acknowledgements

In conclusion, on behalf of SPASTN I would like to express our sincere appreciation and gratitude to the donors for their contributions which have kept the activities of SPASTN going and for their words of encouragement when needed most. Please consider this an expression of gratitude from the children who are benefited from these donations.

I would also like to thank and acknowledge the services to SPASTN by the Director, the dedicated frontline team and the staff of SPASTN. There are no words to describe their commitment.

Last but not the least, I would like to thank the President of SPASTN, the members of the Executive Committee who have spent their time and given their wise counsel in administering SPASTN.

**Mr.P.S.Kumar,
Treasurer**

DIRECTOR'S REPORT

"Great and friendly staff, very welcoming and accepting. Teacher and therapists understood our needs and when we spoke about therapy for my child they seemed both concerned and helpful and I feel hopeful I can work with my child". During one of my walk around the Taramani campus I met this mother who shared when I asked her how is her experiences of bringing her child to SPASTN. She did not know who I am and so when she shared this spontaneously it reflected that we always see the Person and in a way guides everything we do and how we deliver our work. IT reflected SPASTN values in action- Respect, Compassion, Integrity, Teamwork, Quality and Excellence.

WE always believed these SPASTN teams we work with are our true ambassadors who love working for SPASTN and I always found them responsive, agile and flexible in meeting the learning needs of the beneficiaries we serve. We have endeavoured to create a healthy and safe place for all of us to work with and contribute as a team.

Despite very challenging years due to slowdown in the economy and reduced support by way of Grants from MSJE over the years we remain optimistic about our future and steadfast in our mission to create an inclusive society for people with cerebral palsy and other disabilities, and their families. We are grateful to our Corporate Partners and Foundations who have supported US and helped us to deliver person-driven, flexible and responsive services across our Centres and CBR. Without the support of our donors we would find it truly challenging to reach out to nearly 1174 beneficiaries with complex intellectual, physical, and multiple disabilities.

We work with Department of Differently Abled and other stakeholders and we believe our insights on creating and promoting inclusive change are highly valued by them.

The Taramani Centre on the occasion of Children's Day a multipurpose sports and play ground was dedicated to our students by AscendasSingbridge. The TEACH MRT1 after the formal inauguration by the Honourable Governor of TamilNadu the auditorium hosted Yoga Training, Dance and other training programs. We hope the auditorium will soon become a hub for art, training and music.

To all our donors and partners we thank you for supporting our work.

The month of March 2020 remains a landmark month where all our best laid plans for months of March and April turned turtle as first signs of Covid – 19 pandemic was seen and felt.

Always wish to convey my gratitude to the Executive Members and key office bearers for supporting and guiding our work. To my staff wish to convey my sincere gratitude and appreciation for making my and our work so meaningful. My work is meaningful only because of the children I see during my work day. Their smiles makes a huge difference to my work by giving me and our team of more milestones to cover.

Mrs.L.V.Jayashree
Director

REPORT FROM THE CENTRES OF SPECIAL EDUCATION - TARAMANI

Highlights:

- Ms.Ranjana passed out student of NIOS, a girl with cerebral palsy has joined Gramin Co-operative bank as Junior Assistant

Students Enrolled:

Regular Mode Programme:

The number of students enrolled in the academic programmes of the Department for the year 2019-2020 is as follows:

No.	Mode of Study	Name of the Course	Batch	No. of Trainees	Regular	Dropouts	Hostelites
1	Regular mode	D.Ed.Spl.Ed.(CP) II Year	2018-2020	9	9	-	-
2		D.Ed.Spl.Ed.(CP) I Year	2019-2021	9	9	-	2

The Academic Programmes:

Regular Mode Programme Activities

The academic activities include theory as well as practical classes. The lectures in theory were given by internal as well as external faculties. To enhance their preparation and presentation skills, they were given opportunities by means of individual as well as group presentations

The practical input was provided through observational learning initially. The trainees then implemented the techniques learnt in theory in their teaching practice / intervention procedures. Apart from this, the trainees did case studies, seminars and presented them to the concerned faculties.

Student Evaluation:

The ongoing assessments through the Group Discussions, Clinical Diary, presentations, assignments, class test, practical's, day to day basis debriefing (case studies, lesson plans, observations and behavior modification intervention plans etc.) and report writing are the modes of internal evaluation.

Students Placements:

Mrs. Bhuvaneswari Raghavan
Senior Manager and Coordinator

COMMUNITY BASED REHABILITATION PROGRAMME

With support from Mindtree Foundation CBR-DID continues to support and provide for need of the peri-urban community of Persons with Disability across Thiruvallur District.

- 4 regular ongoing programs
- 3 outreach program functioning one day at Vaniyam chathiram of Ellapuram block, Avadi functioning twice weekly and Thiruvallur center for 3 days weekly in Thiruvallur district. This
- 52 new cases were registered and admitted .
- 586 children are getting rehabilitation services at CBR centers of Thiruvallur district,
- 76 New Born were screened and 46 high risk babies were identified,
- 483 persons were trained on Early identification, Early intervention and Inclusion,
- 40 Awareness programs were conducted and reached about 2145 People and
- 767 (no of visits) Home Based program are carried out for need-based children along with the family and community participation.

New Initiatives:

Basic Counseling Skill Training –

Parent-to- Parent support is the intended outcome of this training.

Conducted Basic Counselling skill training Programme for parents at Padiyanallur CBR centre, in which 20 Parents were participated on 25th&26th September 2019;

- Enhance the Effective coping skill
- Improve the ability to establish and maintain relationship
- Promote the decision making process ,
- Facilitate behavioural change.

Installed Glow At A Sight (GLASSs):

GLASSs is a Therapeutic Tool to train the Attention Deficit Hyperactive Disorder (ADHD) children. ADHD is a mental disorder of the neurodevelopmental type. It is characterized by difficulty paying attention, excessive activity, and behavior without regards to consequences which is not appropriate for a person's age.

From October 2019, CBR team are using the equipment across 5 centres (Redhills, Padiyanallur, Minjur, Thiruvallur, Perambakkam). Work on it is in progress.

Poshan Abhiyan:

It's a prime scheme launched by Prime Minister to promote maternal and child nutrition. It aims at achieving improvement in nutritional status of children up to 6 years of age, adolescent girls, pregnant women and lactating mothers. Reproductive health is essential for all women and that starts in the first 6 years. CBR-DID will dovetail with the scheme so that project children and their mother's are provided the essential nutritional intake. We have conducted Nutrition Day programme at Padiyanallur CBR centre by ICDS workers.

Our work so far: We have conducted health camp for parents and in all the centers in that we did blood test to know the haemoglobin level, checked for height and weight to know whether the child is normal or under weight or obese. Totally 83 children and 70 parents were assessed, out of that 74 had a low Hb

level, 22 are under weight.

Identified children and parents were given nutritional counseling and diet plan by Dr.Jagadeesh kumar , Paediatrician at District Early Intervention Centre , Thiruvallur GH and referred 9 children's to their respective balwadi's for improving their weight and Hb level . Two lactating mothers were registered in Balwadi and taking Amylase powder to improve child's nutrition through breast feeding.

Parent Training:

We organized one day Training Programme on Importance of Communication, Feeding Positions and Oro motor Exercises for Parents at Minjur , Padiyanallur and Perambakkam CBR Centre .

The details of the training Programme are as follows :

DATE	TOPIC	PLACE	No of Parents
27.01.2020	Importance of communication , Feeding Positions and Oro motor Exercises	Minjur CBR centre	15
03.02.2020	Importance of communication , Feeding Positions and Oro motor Exercises	Perambakkam CBR centre	20
15.02.2020	Importance of communication , Feeding Positions and Oro motor Exercises	Padiyanallur CBR Centre	15

New Linkages with Indian Red Cross Society (IRCS):

The Spastics Society of Tamilnadu partnered with the Red Cross Society organized one day health assessment camp at Padiyanallur Centre to minimize the issue related with immediate assessment for the identified persons with risk to deaf blindness, supported by Sense International India. 63 Children's (63Parents) from various parts of Thiruvallur district were attended.

Outcomes of the camp:

- 63 children were attended the camp.
- 13 children were referred to MN Hospital for further visual related clinical assessment,
- 10 children were referred for spectacles, Measurement taken.
- 5 children were advised to clear the wax in ears with the ear drops prescribed by the ENT Specialist.
- 30 children were done dental scaling.
- 10 children were done dental filling.
- Dentist advised to all the parents to ensure brush their children teeth twice a day.
- Measurements taken to 10 children for Spectacles, 10 children were received spectacles.
- Measurement taken to 30 children for Assistive devices. 10 children were received assistive devices from Honourable Governor on 28th January 2020. Others will receive soon.

Livelihood Training Programme:

This year our SPASTN CBR conducted tailoring training in Padiyanallur and Minjur centers for 26 members with parent child model. In this year 22 members were attended Tailoring exam and applied for tailoring machine at District Differently Abled Welfare Office (DDAWO).

- 8 Members were received tailoring machines from District Differently Abled Welfare Office of Thiruvallur District.
- 9 Members were received from Indian Medical Association and Rotary club of Thiruvallur District.

In Padiyanallur vocational training unit, under vocational training around 14 young adults with Disabilities are getting training for making door mats. This year we started jewellery making. We are continuing door mats and paper bags ..

Deaf Blind Programme:

SPASTN CBR is supported by Regional Learning Centre of Sense International India which operates through the project team based in SPASTN Royapuram.

This year we initiated Helen Keller day programme at Thiruvallur GH along with SPASTN Royapuram. Speech competition was conducted to normal school students about Helen Keller and distributed prizes for the winners. Awareness training on deafblindness to the parents and professionals was carried out.

Functional Assessment camp was conducted by professionals from SPASTN Royapuram at Padiyanallur CBR center.

Outcomes

- ❖ 18 children were assessed
- ❖ 10 Audiometry carried out
- ❖ 7 children went to Sankara Nethralaya Hospital for Clinical Vision Assessment.
- ❖ BERA Done for 3 children at Medical Research Centre, Mylapore

Types of support:

1. First level of Assessment of vision and hearing loss by screening team from Royapuram.
2. Second level is through clinical objective assessment of hearing and Vision loss.
3. Mentoring and guidance of teacher and parent as to ways of working with dual sensory loss children.
4. Teaching Learning Material
