# PHYSICALLY DISABLE CAMP

The society has been regularly involved in helping the disabled and the handicapped person by providing them necessary support both financially and morally. Effective steps are being taken to rehabilitate and make the disabled self-reliant. This is the noble step taken by the society and appreciated by everyone. The Society has taken a number of steps including distribution of necessary equipment's to the handicapped.

# CULTURAL ACTIVITIES

To remind the days of *pre-independence* and to arouse the feeling of patriotism the society organized various programmes. The programme was a major success. On this occasion national anthem was sung and the National Flag was hoisted with full honor. Cultural programmes were arranged and prizes were distributed.

## NATIONAL FESTIVALS

The remind the days of pre-independence and to arouse the feeling of patriotism, the society organized various programs on the occasion of Independence Day and Republic Day. The Programs were a major success. On this occasion national anthem was sung and the National Flag was hoisted with the full honor. Cultural program mere arranged and prize were distributed.

# HEALTH CAMP

Considering very high level of reluctance on part of the villagers to adopt the family *planning* method the population explosion has taken place causing deterioration. A Camp organized by the society to raise awareness about the old bad effects of the disproportionate growth in the population. Help of audio visuals techniques was taken to make the presentation more effective.

# AWAWARENESS & CHILD EVALUATION CAMP

Teaching children with cerebral palsy communication skills is the primary focus speech and language therapy. *Communication* skills can mean talking using sign language or using a communication aid. Speech therapists are good for teaching children with cerebral palsy that are able to talk and speak in sentence or improving their listening skills. Teaching children with cerebral palsy sign language is also a qualification of a speech is language therapist .
