PROJECTS/PROGRAMME ACTIVITIES FY-2019-20

The organization is focused on Social Inclusion for specially abled children Women Labour ,Child Labour, Migrant Labour ,Minority and deprived sections. Clean India Green India Campaign is basis of Healthy India .Sanitization and Hygeine is essential for our citizen but the poor and deprived one could escape from diseases which borne due to air , water and soil pollution. Our Government has started Campaign to reduce pollution with the Co operation of CSOs and other stake holders. The population of our country is enormously increasing and resources are not increasing in comparision to that ratio. To maintain unity and integrity in our country , we should revive our traditional culture and heritge. Cultural activities are also essential for us. Main activities conducted by our organization are as follows.

1-Day care centre- The organization is working for Specialy Abled Children under Disha-cum-Vikaas Scheme which includes Mentaly retardation, Cerebral Palsy, Autism & Multiple Disabilities. There are 30 beneficiaries out of which 22MR and 08 CP Children upto 18 years of age. These beneficiaries are imparted Daily Living activities at the Day Care Centre alongwith this Physiotherapist helps to exercise the beneficiaries in therapy in accordance with the body parts affected. The Specially Abled beneficiaries are provided Transport facility. The Programme is to provide day care facilities such as Care giver support to the persons with disabilities(PwDs) during the time the PwD is in the Disha cum Vikaas Centre. In addition it also helps to support family members of the PwDs covered under the National Trust Act.

The Care giving and Physiotherapy support is given in the centre. Special Educator imparts education for daily living activities to the above PwDs.

2- Tobacco Control Programme- In our society mainly youths are indulged in Tobacco, Gutka ,Pan Pukar etc .These are injurious to health and causes Mental ,Social and Economical loss.One day workshop organised at Nutan Bal Vidya Mandir Inter College Telibagh Lucknow on Tobacco control to make aware students to No use Tobacco, Gutkka, Pukar etc.In this workshop 100 students and teaching staff and Guardians took part.With the help of Slogans writing and wall painting the small Gumty shopkeepers were made aware for it.All the students promised not to use Tobacco.

3-Aids Awareness Programme- Aids awareness programme was organised at the Society Head Office in which 60 persons participated.Dr Virendra Kumar addressed the meeting and told about Aquired Immune Difficiency Syndrome and what are the symptoms ,cause ,measures and prevention of it.

4- Consumer Awareness Programme- In our contry continuously increasing consumer problems due to lack of awareness keeping this in mind our organization chief Mr S Lal started a Campaign for Consumer Awareness with SHGs. The consumer Awareness Programme was organized at Tejwapur in Trivediganj Block Barabanki.Mr Narsingh Yadav elaborated about various types of Adulterations in the Spices, Cereals, beverages and other edible food stuffs.He has also given detailed testing to know about percentage of impurity.

5-COVID-19 Awareness and Relief Programme- On 23rd March 2020, Lockdown was declared just then in the evening an urgent meeting was organiged for staff to make Aware about COVID-19.It was advised to maintain Social distancing, use of Mask and Hand sanitization and to collect data about needy families for Ration & food. The families lack of ration during that period had given quick relief .Ms Ragini Srivastav played very important role for communication with resource persons. By means of WhatsApp &

Videos the Hand Sanitization training started to prevent from the Panademic COVID-19

6- Cultural Programme- Organizing cultural programme is another aspects of the organization for propogating Indian culture and Heritage. The organization organized cultural programme at Ruchi Khand-1 Sharda Nagar Lucknow Christmas Day and National Unity Day etc.In this programme Specially Abled Children participated and enjoyed it .Shri Ram Awadh Verma Principal NBVM Inter College Telibagh Lucknow was present in this programme.All the present audience enjoyed the Programme. During the year many Cultural functions were organized on occasion of National festivals and other traditional cultural Programme .

The traditions ,qualities and culture of a country that have existed for a long time and that have great importance for the country. Cultural heritage is an expression of the ways of living developed by a community and passed on from generation to generation including customs, practices ,places ,objects,artistic expressions and values.Cultural heritage is often expressed as either intangible or tangible Cultural heritage.Awareness generation through cultural activities are means of attraction of the targeted audience.

7-Environmetal Awareness Programme- On the occasion of World Environment Day a workshop was organized to save the environment.

Mr B.D.Mishra delivered speech on the topic increasing ratio of

carbon di oxide in the environment.

He has given stress to reduce carbon di oxide and increase greenery on our planet the earth. At the end of the Programme there was distributed a Tulsi plant to all the participants.

8-Pollution Awareness Programme- Dr P.Chaurasia convened the meeting and she told main cause of pollution is our enormously increasing population .We have limited resources and to provide more facilities for every one there are continuously increasing new inventions and development. There is air ,water and soil pollution increasing due to blindly use of chemicals and blindly cutting of forests. We are suffering from lungs, hearts & other many problems which are result of pollution. It is very essential to minimise the pollution by using green fuel and devices.

9-Home Gardening- The organization chief Mr S.Lal organized a seminar at head office on home gardening in which 30 participants remained present .Mr Saurabh Katiyar addressed the audience and told about various types of plants which could be grown in the flower pots at home.

These plants keep healthy home environment and keep the Air fresh. He also told about so many vegetables to grow at home. In spite of it many other important medicinal plants such as Aloe vera, Giloy and Tulsi etc should be grown in a small space at home. At the end of the of the programme each one was distributed a Tulsi Plant.

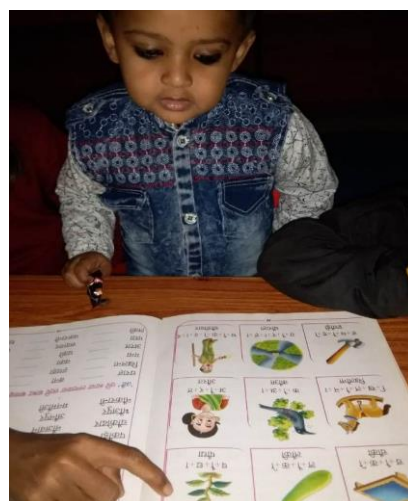

10-Family Welfare programme- Our organization is actively working for welfare of women and child Health and Divyangjan Health matter in 03 Blocks in Lucknow District and 02 Blocks in Raebareli district and 03 Blocks in Barabanki district.

There was organized a Health Camp Telibagh Kharika in which Dr Sunil Kumar distributed multi vitamins, Vitamin A and Deworming Albendazole dose the mother and children. He also told about the diseases are caused due to difficiency of vitamins and Nutrients. He advised to take seasonal fruits and vegetables.

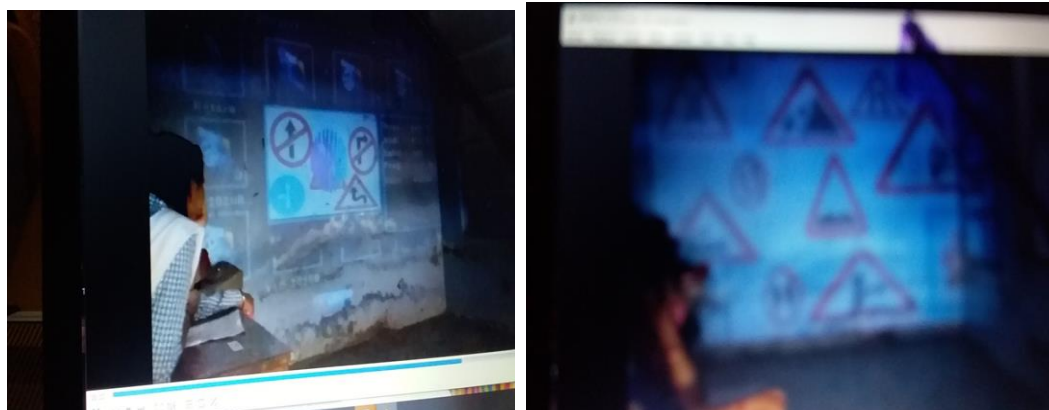

11-Old Age Awareness programme- It was organized at Aurangabad Khalsa in which Shri Dwarika Prasad addressed the meeting and he told about the senior citizens suffering from various types of health and Nutrition problems. At this age old persons become weak, so there is need of more care about their recreation, religious rituals, exercise, Nutrition and medical assistance etc. In this programme 50 people took part and the programme was successful.

12-Primary Education for Girls- Our organization is conducting elementary education for girl Children and drop out children at Ruchikhand-1 Sharda Nagar. They are provided stationery materials and basic health facility.

13-Road Safety workshop - Our organization organized a workshop at NBVM Inter College Telibagh Lucknow. On that occasion the school manager Shri Ram Lakhan Singh

was present and 100 students, teaching staff Auto rickshaw drivers and Guardians were present.

Mr S.Lal explained in detail about Sign and Symbols of Traffic and the Scene of various accidents video also displayed by projector. At last it was advised them to follow traffic rules keeping in mind for speed limit. All the students promised to drive bike slow with valid driving license.

14-Rural Agricultural Development Programme- 20 marginal farmers families of 10 village panchayats in Trivediganj Block was sensitised to make uneven agricultural land fit for growing crops. This was the base of their family. Our Organization supported in the development of Ajeevika Mission to marginal women farmers. For the development of Bio agriculture our chief has sensitised the farmers in which 5 expert farmers were selected as ideal farmers such as Ravindra Kumar, Munsiri Ram, Rajendra Kumar and Rajesh Kumar and Ram Sanahi in Trivediganj Block.

15-Science and Technology Awareness programme- This programme was organized at Saleh Nagar Bangla Bazar Lucknow. Mr Narsingh Yadav explained various innovative methods for agriculture which is more productive and many fold income generating at low cost for marginal farmers.

16-Water Conservation programme- A seminar was organized at Achlikheda village in Lucknow. Mr Ajit Kumar Singh sensitised the audience to conserve water. There is the little amount of drinking water available in the world. The trees and plants are continuously cutting down which resulting less rain. We should save water and conserve water.

17-Women Empowerment Awareness programme-

Our organization with the Support of SHGs conducted successful rural women empowerment programme at Block Bachhrawan, Shivgarh and Harchandpur in District

Raebareli which was successful in which 300 women families benefitted in 20 village panchayat since 2011 to 2013.

We are continuously doing effort for their right to Education, right to food , right to Health and right to employment in MNREGA in which 50% women beneficiaries were encouraged to participate. We encouraged and made aware to pregnant women immunization and availability of regular healthy Diet and Nutrition and regular Mid day meal and co operated with village panchayat and made effort to work Plan for MNREGA and adult girl Health education.

18-Yoga Programme- There was Yoga and exercise programme was organised on occasion of Yoga Day for the people at 3/560 Ruchikhand-1 Sharda Nagar Lucknow at 6.00 a.m to 8.00 a.m. in summer season. In this Programme 200 people benefitted.

19-National Child Labour Project- The Organization has conducted awareness programme for the purpose of sensitization to the community for importance of future of the children. Child Labour is growing menace in the society and it needs to be curbed. Therefore the organization has been conducted programmes for curbing child labour. District Labour Department authorities raids the site of construction, brick kilns and workshops etc. and taking strict action against such employers who are indulged in child labour Activities and child labour were brought to the STCs of National Child Labour Project where vocational training is given to these children for their rehabilitation.

Our organization has conducted four STCs. At Ujariaon Gomti Nagar 20,Aurangabad Khalsa 50, Rickshaw colony sector M-1 ,20,and Amethi 50 students in Lucknow district.in these STCs all the beneficiaries were provided vocational training alongwith imparting education to them.The girls beneficiaries have got training of tailoring and embroidery. Most of them beneficiaries were main streamed into Govt. Schools.

On the occation of International Labour Day a Ralley was organized at Amethi Lucknow.During the course of time Birth days of our Great men were celebrated at these special training centres.Other facilities were availed them such as Health camps and games Ludo Chess Football and Mid Day Meal etc.

21- Badhte Kadam programme-During FY 2019-20 An Awareness programme was organized at Sharda Nagar Lucknow for various schemes conducted by The National Trust,under the Ministry of Social Justice GOI.In this programme 50 participants took part and programme was successful.
